Foreword

A progression in time, a movement in value, an advancement in education reflect progress—progress such as Memphis State University has shown in its past achievements and in its outlook for the future. Just as the values, the education received within these halls, have moved upward, so has time for the class of 1963 moved onward. In these pages of the 1963 DeSoto, we hope to capture the tempo and the spirit of the year's activities at Memphis State in a "time capsule" for you to enjoy throughout the years to come.

Dedication

Since Memphis State became a university in 1957, the word that can best sum up its record is PROGRESS. The acceleration of this progress during the past year is evidenced by the founding of a School of Law at Memphis State.

For the first time, the prospective law student enrolling at this institution can look forward to receiving his three years of pre-law training and his additional three years of professional education in law on the same campus. By 1965, the LL.B. will be added to the growing list of academic degrees conferred by Memphis State University.

Recognizing that this is a significant link in the lengthening chain of PROGRESS on our campus, we—the students of Memphis State University—proudly dedicate the 1963 edition of the DeSoto to the new School of Law.

Campus Life

autumn brings rush

Rush, Rush, Rush . . . Party, Party, Party . . . Morning, noon, and night the hectic pre-school sorority rush . . . Smile, be nice and talk to the darlings. Choosing your future actives goes on throughout the week. Skits, teas, and parties bring the young freshman girls into the overwhelming activities of college and enable the ever present actives to determine their future pledges. Both future pledges and actives begin to drag from the mental and physical pressures as the days wear on . . . but finally the big day arrives and rushees receive their bids . . . The fake facade may be lifted . . . the sore feet may be soaked . . .

Don't tell me your troubles—I went through rush!

Oh, come on; where is my bid?

and registration

Classification???

The pre-school rush is over and the thought of registration comes floating into the minds of tired and weary girls . . . The bright and alert students rested from a summer vacation will soon be weary too . . . Lines, lines, lines . . . packet lines, class lines, school lines, money lines, ID lines . . . Stand, Stand, Stand . . . Walk, Walk, Walk . . . Cards, Cards, Cards . . . advisor cards, class cards, information cards, admission cards . . . Lines, cards, walking, standing, produce a very tired but registered student.

The line-up.

B.C. says, "It's National Gather No Moss Week."

Is this the last one?

O.K., O.K., where's the bomb?

Tiger takes a beauty nap.

A sleepy, sleepy Tiger rises from his summer rest to greet the returning students at MSU. He gets busy on the telephone trying to get a line on the latest freshman. However, after an MSU football game, his attention turns to the gnawing of the opponent's bones. Wherever MSU goes, so goes the Tiger, known and feared throughout the land.

Better than a steak.

You don't say!

Fight, team—win.

Yells,
shouts,
noise . . .
Spirit,
cheers,
excitement . . .

All occur when Memphis State cheerleaders hold a pep meeting. . . . From hot September until cool November the members of sororities and fraternities, band members, and cheerleaders lead the Tigers on to victory.

Go—Tigers—Go.

The first pep meeting

Tiger carries off Ole-Miss dummy.

A little fatherly advice . . .

Boys' rush

The cleaning and painting of the houses, the polishing of the picture frames, and the waxing of floors present the respectable front for fall rush by the fraternities . . . Girls rush, registration, and now fraternity rush . . . From morning t'll dusk the planning, partying and handshaking goes on . . . The smiles and shakes and sessions wear on during the mid-week with "peanuts, popcorn, and fraternity pins right here" being heard throughout the campus . . . Spike bidding occupies the popular theme for a good pledge class and is accepted by all . . . throughout the week this goes on and into the nights go the ball sessions . . . Pressure, pressure, pressure . . . weary upperclassmen and confused freshmen . . . As suddenly as it began it ends with happy rejoicing with the giving out of the bids.

Rush the way the Pikes do it . . . gets results

Send me in, coach.

But who's the one in the long pants?

Football fever

The spirit of fall and the thrill of football overcame the campus with the annual Powder Puff game . . . Demure femininity was replaced with the vengeance of an erupted volcano when A D Pi encountered Phi Mu on the gridiron . . . 250 scattered spectators looked on as the weaker sex waged war against each other . . . The dreams of Chantilly lace were erased for the roughness of the game . . . The fruits of the afternoon rendered a 12-6 victory for the A D Pi's . . . Bruises, bandages, and limps were the aftermath for the participants of the afternoon.

The forward wall gets set for the charge as A D Pi starts its move up field for its victory.

Pep rally in triple

Rain but victory

The annual Memphis State homecoming weekend began with a gigantic pep rally, televised by WKNO, and a most enjoyable concert by the Four Lads. On Saturday morning the dedication ceremonies for the new Business Administration building and the Nellie Angel Smith Women's dormitory were held, with many students, alumni, state and local government officials, and friends in attendance. That evening the 1962 Homecoming Queen was crowned among the multitudes of umbrellas and raincoats. An MSU victory over Mississippi Southern assured us that we had passed another successful homecoming.

Dr. Nellie Angel Smith was honored by the dedication of the new women's dormitory in her name.

Tigers roll over State

October 27, 1962, has gone down in the memories of the students here at the University as the day we beat cow college . . . Yes, we won our sweetest victory of the year that day . . . 28 State, that's Memphis State, 7 Mississippi State . . . After 40 tries for a victory over a SEC team we finally achieved our goal. We continued our enthusiasm even after the game with an attempt to carry the goal post off . . . however, this tradition was denied . . . Monday after the game President Humphreys gave credit to the men of the gridiron for their well earned victory . . . With this recognition the spoils of victory were complete.

That's us the VISITORS, we did win.

The only way to leave the field is on the shoulders of your players—Victory.

The Memphis State fans want to get into the act also.

President Humphreys gets ready to introduce Coach Murphy.

Coach Murphy expresses thanks to the students who supported the Tigers in the game against Mississippi State and also to the players who brought home the win.

Memphis State students give a standing ovation to the team for the victory.

Derby Day

Derby Day again came upon us and the pledges of the sororities went into the contest with all vigor in great hopes of being the winner. Many a hair-do was a mess after the events and a few wobbly steps were taken after competing in the contests. However, all the contestants seem to have enjoyed themselves.

The guiding light

A duel to the finish . . . of the eggs that is.

Time out for a Coke.

Keep off the snow.

Snow

After the approach of the new year and the closing of the semester, the pangs of winter were felt in the cold, bitter snow of late January . . . Exams came and went (just like our grade point averages) . . . At the hands of this wintry blast with the city at a virtual standstill, Memphis State students continued their quest for higher education . . . With dexedrine sales at a maximum and students' morale at an ebb, the fall semester was ushered quietly out.

Bewitching hour had struck and not even the weather could keep us from it, finals.

Girls, Girls, Girls

The DeSoto Beauty Review held excitement, glamor, and suspense. Over thirty girls vied for the honor of being the DeSoto Beauty Queen. They were judged in swimming suits, evening gowns, and for poise. Also they had to display some type of talent. Everybody was happy, some tired, and a few sad (there could only be one winner). Roses, smiles, tears overcame the excitement as the winner was announced. The pageantry of the evening was over but the thoughts of the contest still linger on.

Smile, you may win the contest.

Dave Brubeck

Golden notes of Jazz

Our annual spring concert was held in Ellis Auditorium this year and featured the Dave Brubeck Quartet. For two hours he explored jazz from the "Kansas City Blues" to his own improvisations. Accompanying Dave, who was at the piano, were Paul Desmond on sax; Joe Morello on drums; and Gene Wright on bass. The applause rolled forth as Brubeck continued to progress further and further in his exploration.

“Take a look and stay South, Young man,” was not the opening phrase in History 424, but the slogan of the Industrial Commerce Exhibition. The opportunities, the challenges to stay South came home to us, the Southern students and the “carpetbaggers” who have come down from the North. This was the first of the annual exhibitions held here to enlighten us on the South as a place in which the men and the times shall meet. The destiny of the South depends on us.

A black and white photograph of four men in suits. One man is seated in the foreground, looking up at three men standing behind him. They are all looking at a large poster or brochure held by one of the standing men. The poster features a cartoon character and text including "TAKE A LOOK", "AND STAY SOUTH", and "YOUNG MAN!". The man on the far left is wearing glasses and a dark suit. The man in the center is also in a dark suit and is smiling. The man on the far right is wearing a dark sweater over a collared shirt. The man in the foreground is wearing a dark suit and is looking up at the poster. The poster is held by the man in the center. The background is a plain, light-colored wall.

Go Vote . . . Please

Elections and electioneers on campus transmitted the atmosphere of wonder as viewed in Alice's Wonderland. Her classic tea party, which was ruled by mass confusion, was similar to the election of Miss Memphis State, Mr. Memphis State, and May Queen. The clamor of excitement by the enthusiasm of the campaigners after votes, "Have you voted, go vote, or please vote," were drilled into your head as you commuted between the Den and your classes. The climax was reached at the end of a long, weary day.

Night classes in progress

Spring Rains

Spring rains and night classes seemed to be working together this year. While rains stimulated the growth of plants, professors stimulated the growth of knowledge. Even though spring rains revitalized the plants from their winter slumber, knowledge continued throughout the year in Memphis State's night classes.

Commencement

The fourth and final year of undergraduate life was over before we knew it. As we received our diplomas, we realized that we would not be making any more contributions to the university in the status of an undergraduate, but as an alumnus. The last four years—or five for a few of us—were not a vacuum but a reservoir of knowledge which prepared us for the coming encounter with life in full. It is not a closing but rather a beginning.

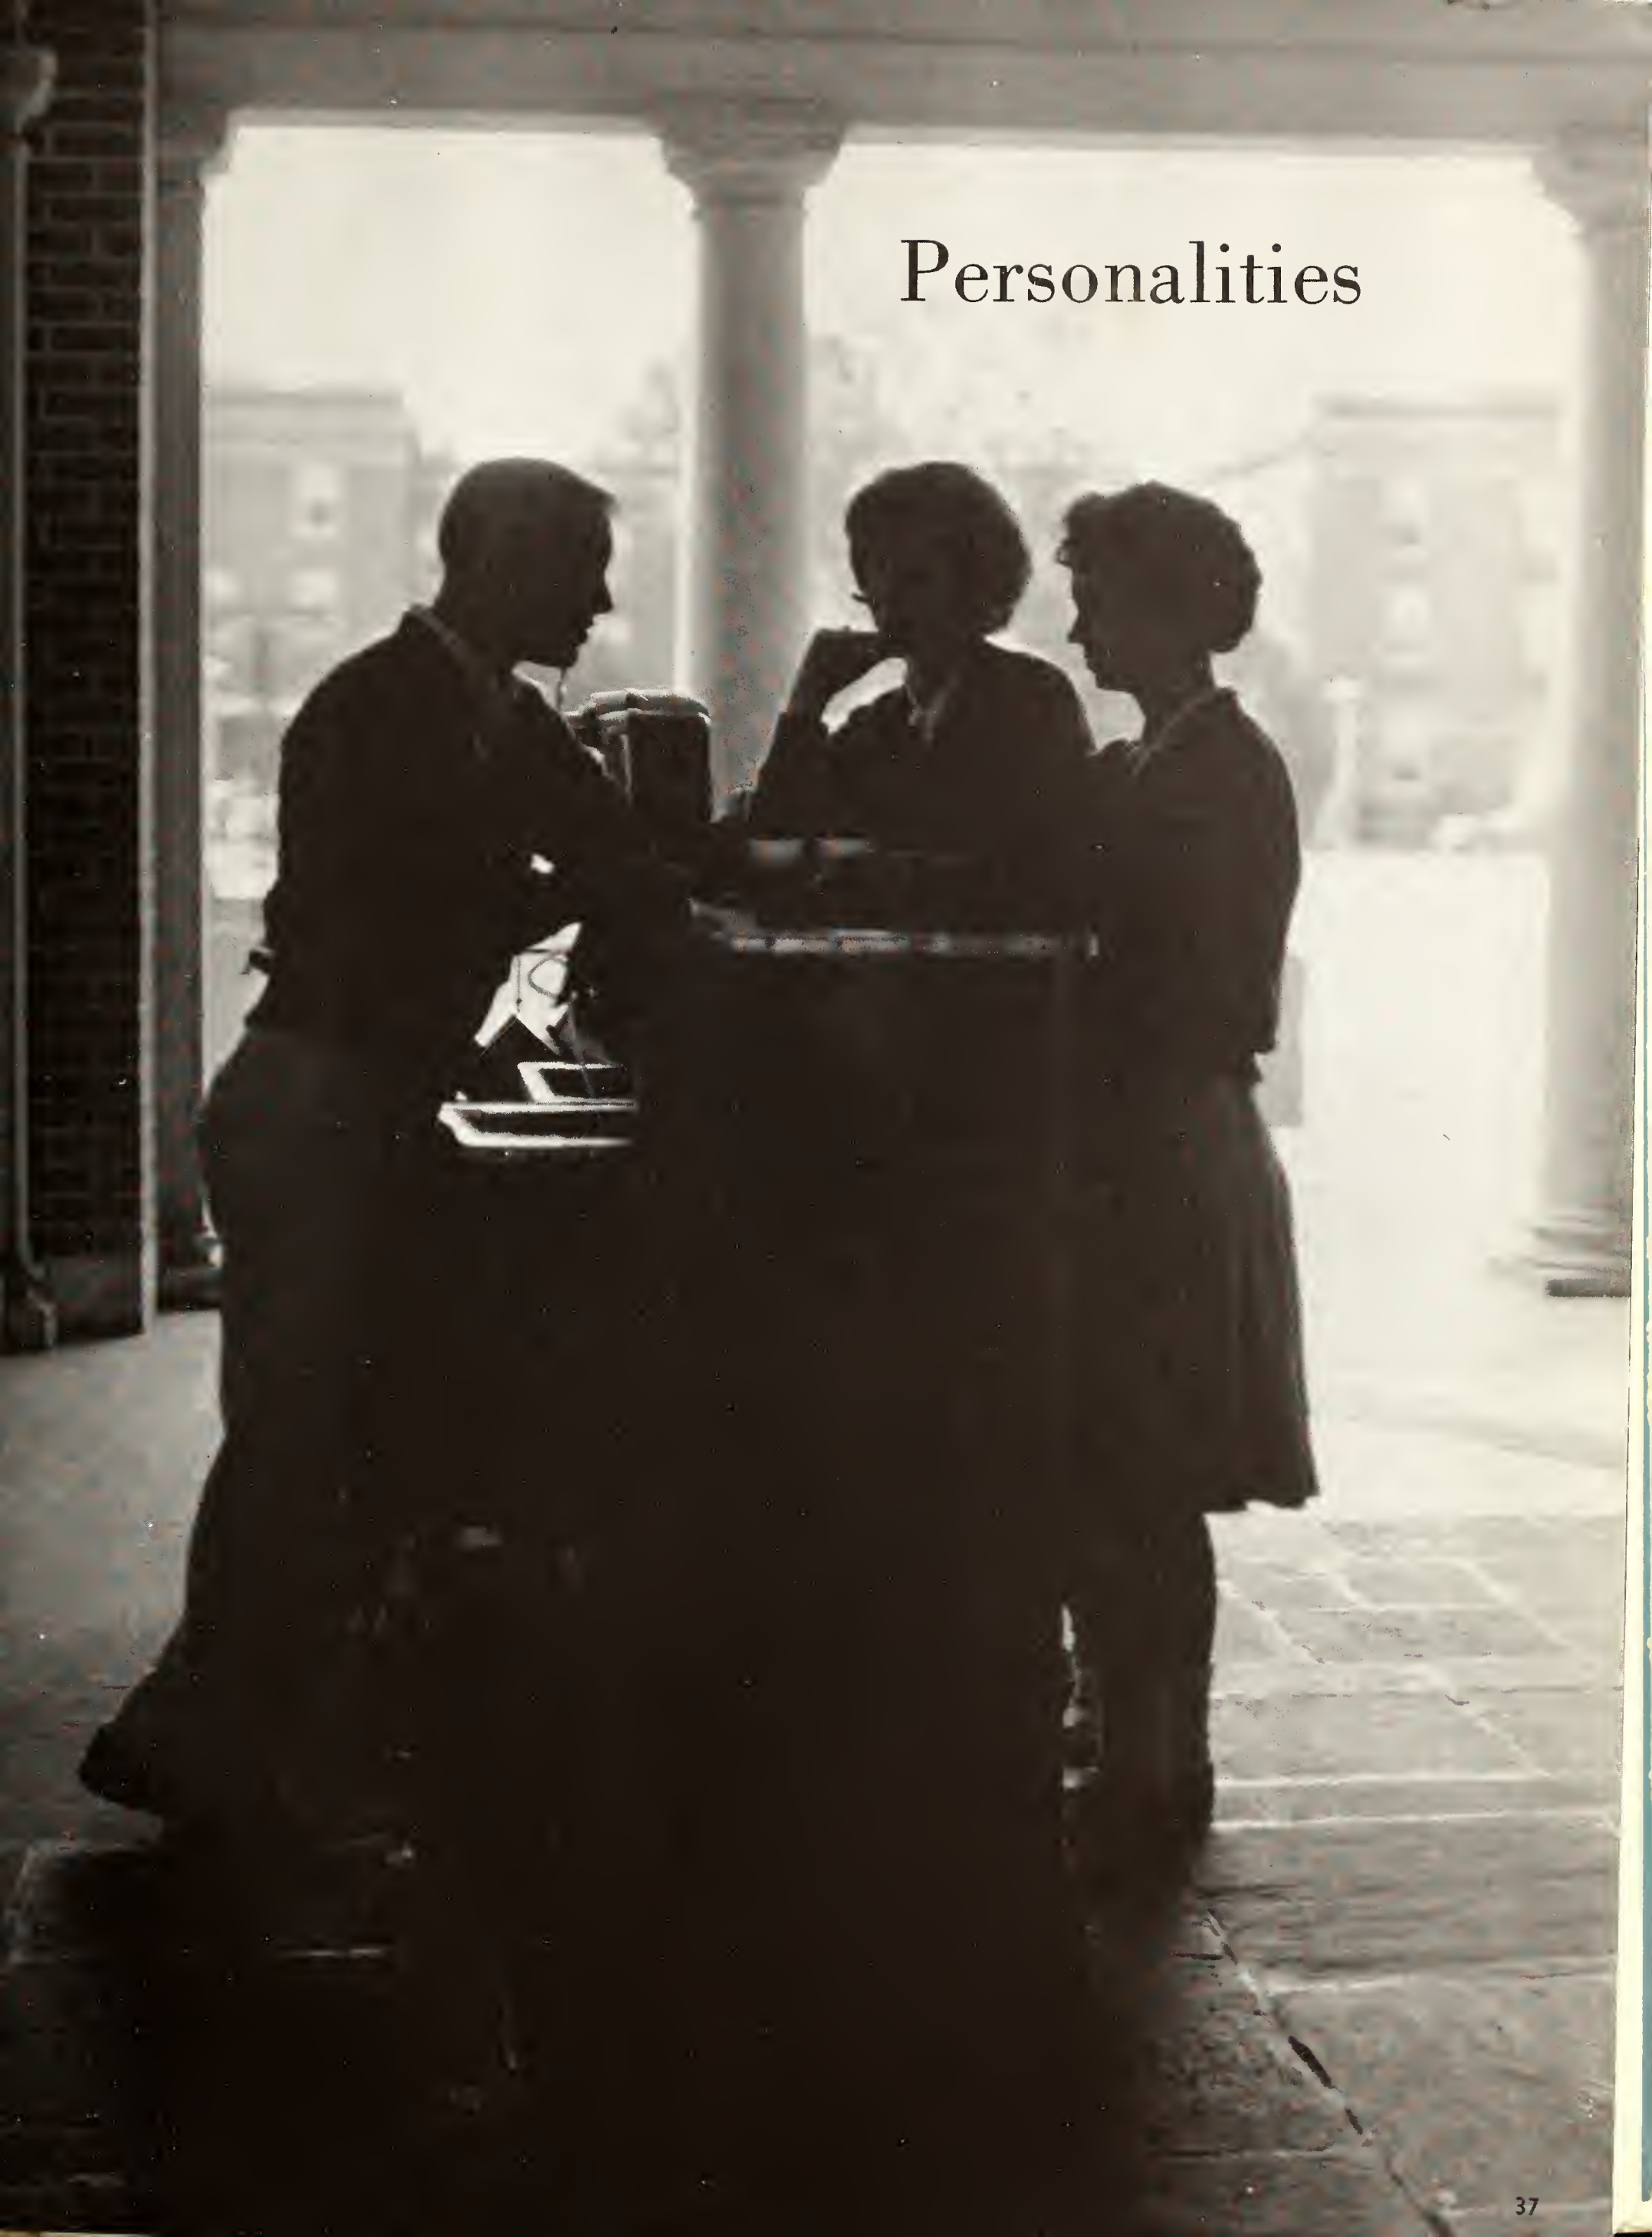

Commencement is only the beginning

Congratulations are in order

Cheerleaders

Cheering the Tigers to many victories this season were thirteen spirited MSU cheerleaders. As a cheerleader they must transform the various exhortations of the spectators into an intelligible cheer that will inform the team we are enthusiastically behind them. They plan pep rallies, organize pep parades, and participate in the annual Homecoming bonfire celebration. The candidates audition each spring before a panel of judges and are carefully chosen. Six boys, six girls and Tiger Wayne Johnson comprise the 1963 cheering squad.

Majorettes

Boosting the spirit of the Tigers during the football season and also providing some enjoyable half-time entertainment, the Tigerettes have certainly added glamor and sparkle to all home football games. Many long hours of practice are necessary for them to perform the difficult routines and precision drills viewed by the spectators. Each Spring open tryouts are held for those who are qualified and interested. They are chosen on their ability in an individual routine and in group participation. With a leader such as Paul Giger, who is the choreographer and feature twirler of the group, the Tigerettes have certainly had a most successful season.

TENNESSEE TECH 6

Memphis, Sept. 15. The season began in Memphis with a Tiger victory, muddy players, and rain-soaked spectators. It was the popular opinion that the rain was the main factor of the game as the ball carriers found it a bit difficult to run through the mud. Fumbles proved costly to the Memphis team when three scoring threats were thwarted by Tech recoveries. The first score came on an eight-yard rollout by quarterback Russell Vollmer. The extra point attempt was blocked. State churned 66 yards for the second TD in the final quarter with fullback Dave Casinelli accounting for the score. The game was not too impressive, but the Tigers were happy to record a victory.

Tiger defense puts the stopper on Ole Miss ball carrier

Memphis, Sept. 22. A capacity crowd flowed into Crump Stadium to watch the Tigers do battle with the Rebels of Ole Miss, one of the top ranked teams in the nation. A defensive battle dominated the game until the third quarter when a sustained drive put the visitors from Mississippi on the scoreboard. A pair of tough breaks haunted the Tigers as the Rebs turned them to their advantage. A bad pass from center on a punting situation gave Ole Miss possession on the 15 yard line. From there they proceeded to score. Russell Vollmer took a punt running back on the 12 and weaved his way through 88 yards of would-be enemy tacklers to reach paydirt. Russ picked up some outstanding blocks, the last crucial block coming from John Griffin, and turned on the speed. Pat Miller booted the extra point. Vollmer was also a defensive standout in the game, along with back Jim Addington and guard Bob Finamore. The Tigers continued to fight back, but their inspiration was daunted when a fumble was turned into the Rebs' third touchdown.

NORTH TEXAS STATE 6

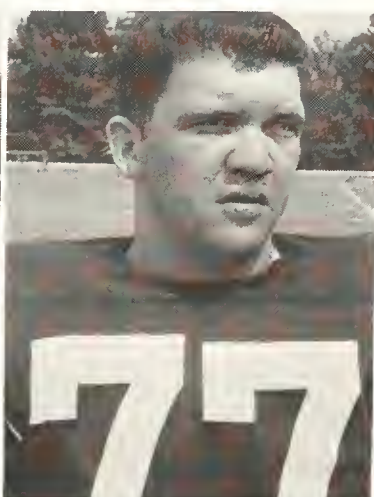

Play such as this gained halfback John Griffin an invitation to the Senior Bowl.

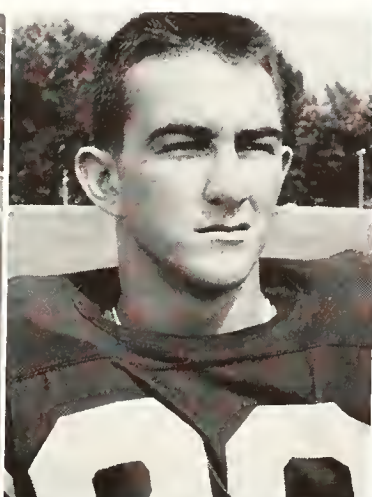

Denton, Texas, Sept. 29. A journey into Texas for a showdown with the Eagles of North Texas proved quite a chore for the Memphis State footballers. The teams battled each other for most of the first half before John Griffin raced into the end zone on the receiving end of a 34-yard pass from Russell Vollmer. North Texas then completed a 95-yard drive for a score of their own. Memphis State decided to add to the 7-6 lead in the fourth quarter with Dave Casinelli plunging 3 yards to score. Vollmer then added his second conversion. This score was set up by a 16-yard pass from Vollmer to end Wiley Patterson. North Texas took the kick-off with the sole intention of scoring, but the Tiger defense had ideas to the contrary. Halfback Billy Ray Farmer made himself very unpopular with the Eagle fans when he recovered a fumbled pitchout on the Memphis State 5 to end a final scoring threat.

Memphis, Oct. 6. Memphis State proved they had what it takes to muster up a devastating offense as they romped upon the visitors from the land of the bluegrass. A repeat of last season's thriller was anticipated, but the Tigers quickly ended this myth. After a second quarter which provided 22 points, the teams left the field at intermission with State leading 20-0. Throughout the game the defense held Louisville as the score continued to mount. Shortly after the opening kick-off, Casinelli ploughed 3 yards through a gaping hole to begin the scoring. In the second quarter Russ Vollmer hit Wiley Patterson from 13 yards for another TD. Butch Travis entered the game and tossed a 48-yarder to Billy Ray Farmer. Minutes later Charlie Killet drove over from three yards out. A Vollmer pass slipped through the fingers of Chuck Brooks but John Griffin grabbed it before the ball hit the ground in the end zone. Travis added the final two touchdowns on a sneak and a rollout.

Russ Vollmer handing off to Dave Casinelli was a familiar sight this season. Workhorse Casinelli was one of the leading ground gainers in the nation.

A seat on the 50, what more could you want

Memphis, Oct. 13. A blocked punt by John Bramlett that rolled into the end zone for a safety provided the Tigers with the margin of victory over a crew of tough competitors from Southern Mississippi. Heavy rains turned the playing area into a field of mud that just wasn't conducive to good offenses. As a result, both teams smothered any similarity to a scoring threat that the other could muster. Early in the second quarter Jerry Bell forced Southern's punter to kick short. This break resulted in Memphis State's touchdown with Russell Vollmer sneaking over from the one. Two further attempts to score by the Tigers were cut short by an interception and a fumble. State held the Southerners on the one-yard line for three plays, but on fourth down the visitors slipped through to make the final score 8-6.

State College, Miss., Oct. 27. Memphis State football seemed to have reached a peak as the Tigers recorded their first victory over a Southeastern Conference team in a thoroughly convincing manner. The Maroons scored on a pass in the early moments of the game, but this proved to be the only flaw in Memphis State's defense. Charles Killett tied the score on a dive from the two, followed by Vollmer's conversion. Vollmer broke the game open with a 73-yard kickoff return to set up his own TD. A key interception by Bramlett set up Casinelli's slashing touchdown run. Vollmer ended the scoring with a sneak.

THE CITADEL 13

Charleston, S. C., Nov. 10. A citadel is considered a fortress of defense, but Memphis State's grinding offense quickly dispelled this notion. The offense could not be considered flawless; the Tigers failed to score on one occasion. The scoring began with Charles Killett going over from 5 yards out. Dave Casinelli scored on bursts of one and two yards and a 30-yard sprint. John Wallace Wright smacked over from the two-yard line at the end of the half. Frank Ingram scored from the 10, followed by a Vollmer pass to Ray Farmer that covered 34 yards. Charles Alexander stepped over from the two and Butch Travis ended the scoring with a pass to Gidden.

Memphis, Nov. 17. Dave Casinelli, affectionately referred to as the human bowling ball, unaffectionately bowled over Arlington defenders to score three touchdowns. Able support was provided by the running of Charles Killett and the passing of Russ Vollmer and Charles Alexander. Defense was again called upon, and the Texans were held scoreless. Arlington was held to 0 yards rushing and had three pass attempts intercepted. The score at the half was 37-0 and two tallies were added in the final half.

DETROIT 8

Memphis, Nov. 24. The season ended on the same note with which it began, a Memphis State victory. The triumph over the Titans climaxed one of the most successful seasons ever completed by a Tiger team. Russ Vollmer scored first on a sneak set up by the fine receiving of John Griffin. Dave Casinelli scored next on a short smash. Vollmer then raced 45 yards on a rollout to score again. Charles Alexander passed to Walt Heitzenrater on a 30-yard scoring play. The final score came on a toss 29 yards from Vollmer to Griffin. A strong defensive unit held Detroit's publicized quarterback, Jerry Gross, except for a brief stint in the final moments.

Freshman Football

The Freshman footballers came through a three-game schedule with two wins and a single defeat. An impressive 40-6 victory was registered over Memphis Navy, a team composed largely of former collegiate players. The future Tigers followed this game with a 33-13 pasting of Southern Illinois. The defeat came at the hands of the Southern Mississippi frosh in a 21-3 game. The team was coached by Jim "Red" Hoggatt, who was ably assisted by former varsity members Larry Heathcott and Vernon Lott. Several of the promising frosh are being counted on to add strength to the Memphis State varsity as spring practice looms ahead. Coaches were favorably impressed with the field goal kicking of George Hardage throughout the season. Such powerful runners as Bob Sherlag also put a gleam in head coach "Spook" Murphy's eye.

MSU 80

McNEESE STATE 52

The season got underway in a pleasing manner as the fans were rewarded with ample scoring. As was expected, Bob Neumann led the scoring brigade with 22 points. His skillful maneuvers under the basket brought him several freethrow attempts and Bob cashed in on 10 charity tosses. State held the lead throughout the game, largely on account of a brilliant fast break. The entire squad got into the action, giving Coach Ehlers a good look at the boys under fire. Hunter Beckman added 14 points and George Kirk chipped in 11.

The Tigers hit a cold streak that couldn't be solved in their game with A & M. Leading shortly after the half, the home team held the Memphians in check for the better part of the game. Bob Neumann and Hunter Beckman refused to be held as they netted 21 and 18 points, respectively. The Texans also managed to control the rebounding, an important phase in any basketball game.

MISSISSIPPI ST. 77

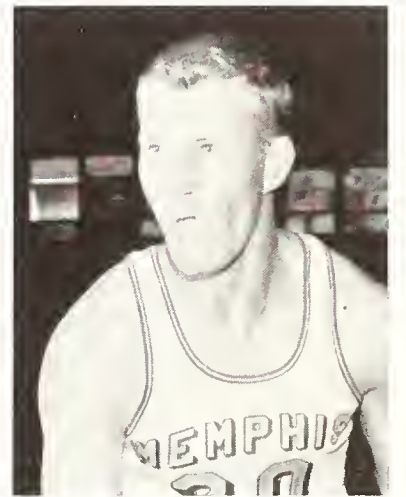

The defending Southeastern Conference champs proved their national rankings when they took command of the game in the final minutes. Only two of the Tigers seemed able to find the basket. Neumann hit 22 and Beckman 21. Foul shots proved to be the Tiger's undoing.

MINNESOTA 70

Memphis State overcame Minnesota of the Big Ten Conference in a skillfully played game before an eager home crowd. A zone defense was used against the visitors in a very successful manner. The Tigers yielded the height advantage, but still outrebounded the Gophers. The big guns came through in the forms of Bob Neumann and Hunter Beckman. Bob stuffed 27 through the nets and Hunter added 20.

MSU 70

OLE MISS 62

The Rebels provided much stiffer competition than was expected. Ole Miss shot like demons throughout the first half, but the Tigers took over in the final portion. State suddenly found itself in possession of a nine-point lead and chose to sit on the ball until the easy basket came. The big scoring came from the guards this time. George Kirk and Jerry Parrish each ended up with 16 points. Neumann was close behind with 13 points and 16 rebounds.

MSU 76

TOLEDO 61

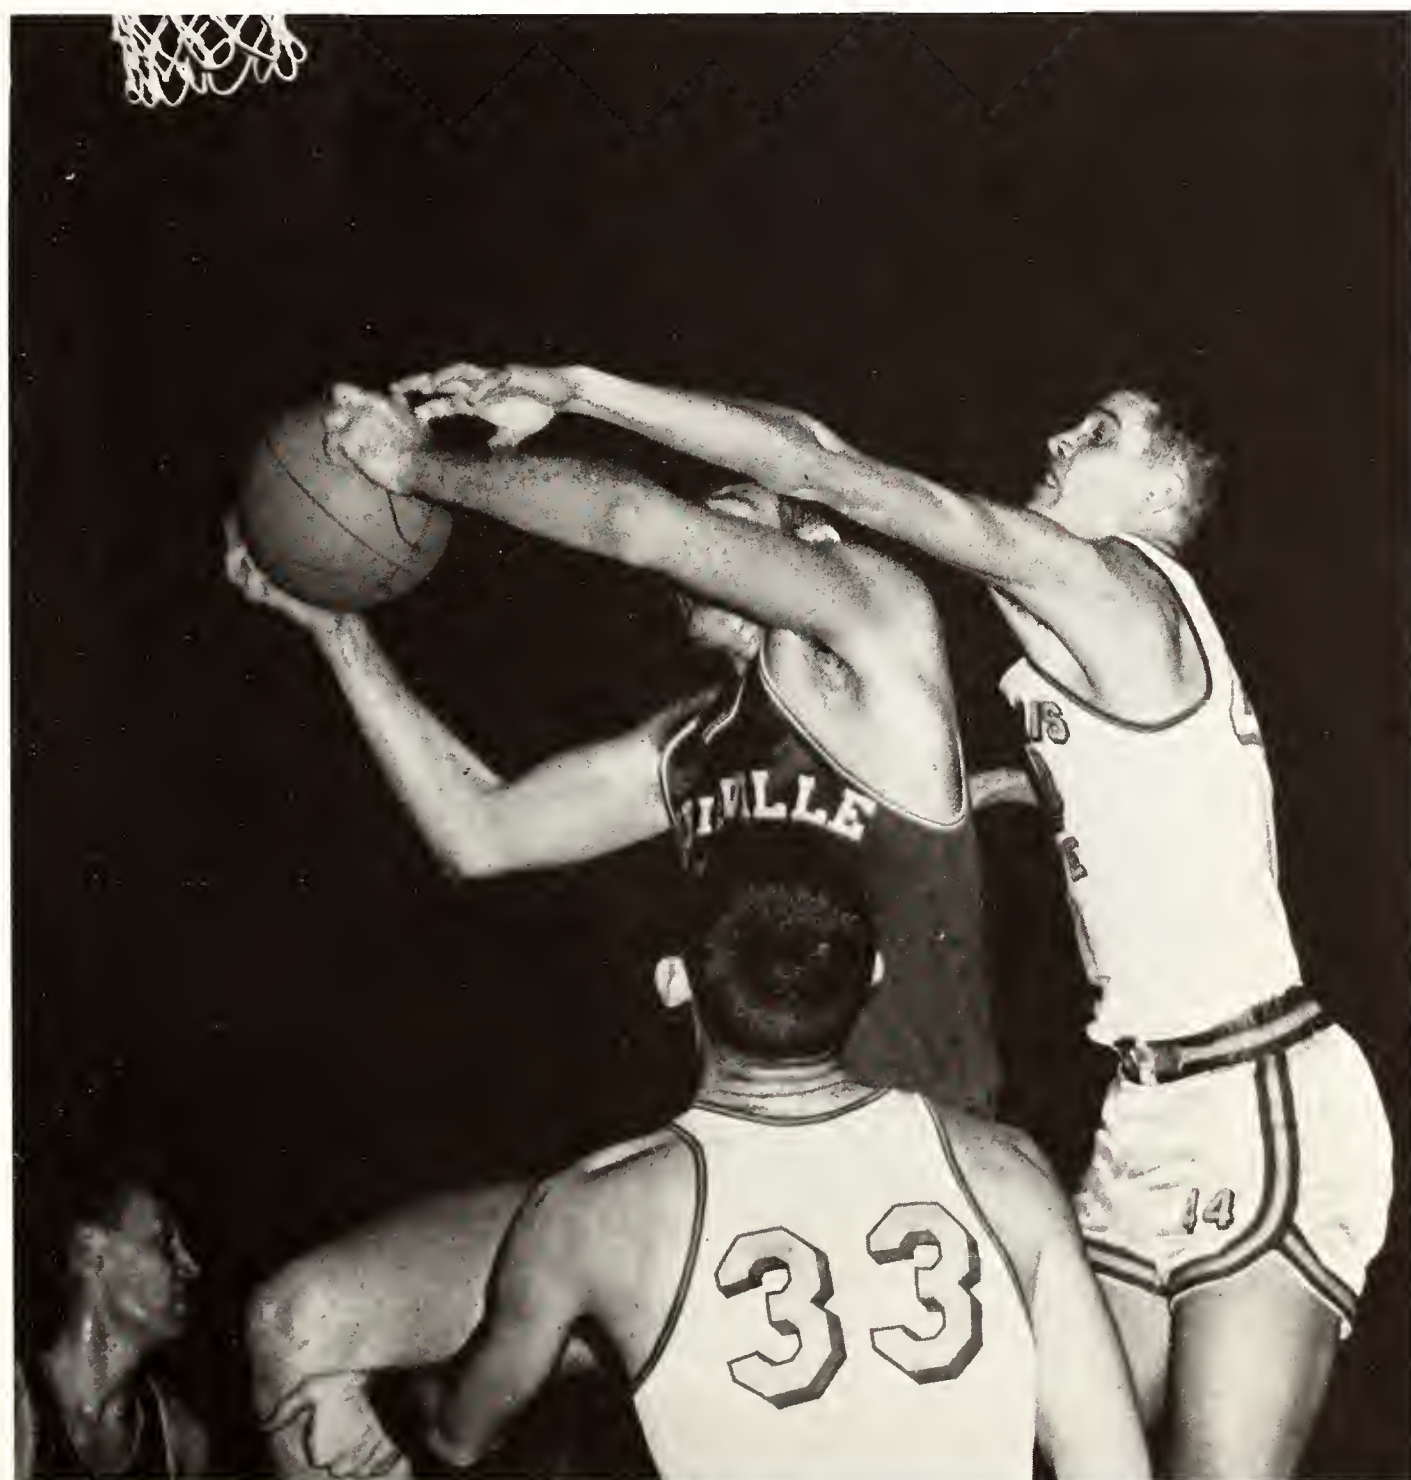

Memphis State won a ball game and lost an outstanding player in their first game of the All College Tournament. Bob Neumann was put out for the season when he injured an Achilles tendon. Bob was the team's leading scorer and rebounder. Cold through much of the first half, the Tigers seemed to find themselves in the latter part of the game. Neumann ended up with 25 points, high for the game. Beckman had another good night as he hit 15 points.

MSU 82

LOYOLA OF CHICAGO 94

Memphis State reached the semi-finals of the tournament before falling to mighty Loyola. The Ramblers are the second ranked team in the nation and lead all teams in scoring. The Tigers were in contention throughout the game, but never could seem to take command. This inspired effort was led by George Kirk, who did just about everything one can do with a basketball. George finished the game with 27 points and 9 rebounds. Larry Garber found a hot hand and hit for 18.

This game had all of the aspects of a real thriller during the initial half with the score separated by only 5 points at intermission. After the pause, however, the Tigers began sweeping the backboards and scoring with a flurry. The only disappointment was the failure to hit the 100 mark. George Kirk followed up with his second brilliant performance as he netted 25 points. He was hampered by fouls during most of the game. Hunter Beckman, hitting with his usual consistency, was next in line with 18. Big Jamie McMahan did his best job to date as he took 13 rebounds from the boards. Jim Horton also performed well in chipping in 12 tallies. A large part of the Tiger bench entered the game and provided some satisfying moments for Coach Ehlers.

Rebounding was a big factor for the Tigers

Victory seemed certain with less than six minutes remaining and Memphis State leading by 19 points. The hustling visitors had other ideas as they fought right down to the wire. The Gentlemen staged a rally near the end that threw a scare into leading home team. Larry Garber garnered 16 points in the first half and ended up with 22. As pressure was applied to Garber, Beckman found himself in the clear and proceeded to score 22. John Hillman added 21 points, McMahan 11 points and 15 rebounds.

MISSISSIPPI ST. 65

One of the highlights of the season was the victory over the nationally ranked team from Mississippi State. Hunter Beckman had another great night, as did playmaker George Kirk. The well-rounded scoring attack was led by Beckman's 19 and Kirk's 15. The entire starting team hit in double figures in a fine demonstration of team play.

Villanova used a slow, deliberate offense to solve Memphis State's zone and hand the Tigers their fifth defeat of the season. State had trouble finding the bucket in the early stages of the game, but came on strong in the latter part to end up hitting on 47 per cent of the field goal attempts. When it looked as if the Tigers were going to catch up, a couple of floor mistakes popped up to dampen all hopes. Hunter Beckman collected 13 of his 17 points in the last half to lead the Tigers. John Hillman was right behind with 16.

The Citadel seemed intent on upsetting the Tigers in a game played on the Citadel court. Trailing by 3 points late in the contest, State hit a sudden burst of field goals to take charge of the situation before it was too late. Field goals had to be the answer since the Tigers got only 10 chances from the charity line. George Kirk led the scoring with 19 points. John Hillman and Hunter Beckman were close behind with 18 and 15, respectively. Tim Weaver entered the game for the foul-plagued Jamie McMahan and played a fine game.

Memphis State trounced the Cardinals, a perennial powerhouse, in a convincing manner. Beckman had a fabulous night, hitting 30 points. John Hillman chipped in 16 more and Larry Garber contributed 12. This game was won as a result of hustle and solid rebounding.

MSU 61 DAYTON 59

The win over the Flyers was one of the biggest wins of the season. Unsurpassed as far as thrills go, the game kept the crowd on its feet all night. Jamie McMahan was the man of the hour when he tipped in the final bucket to bring victory over last year's NIT champs.

MSU 55

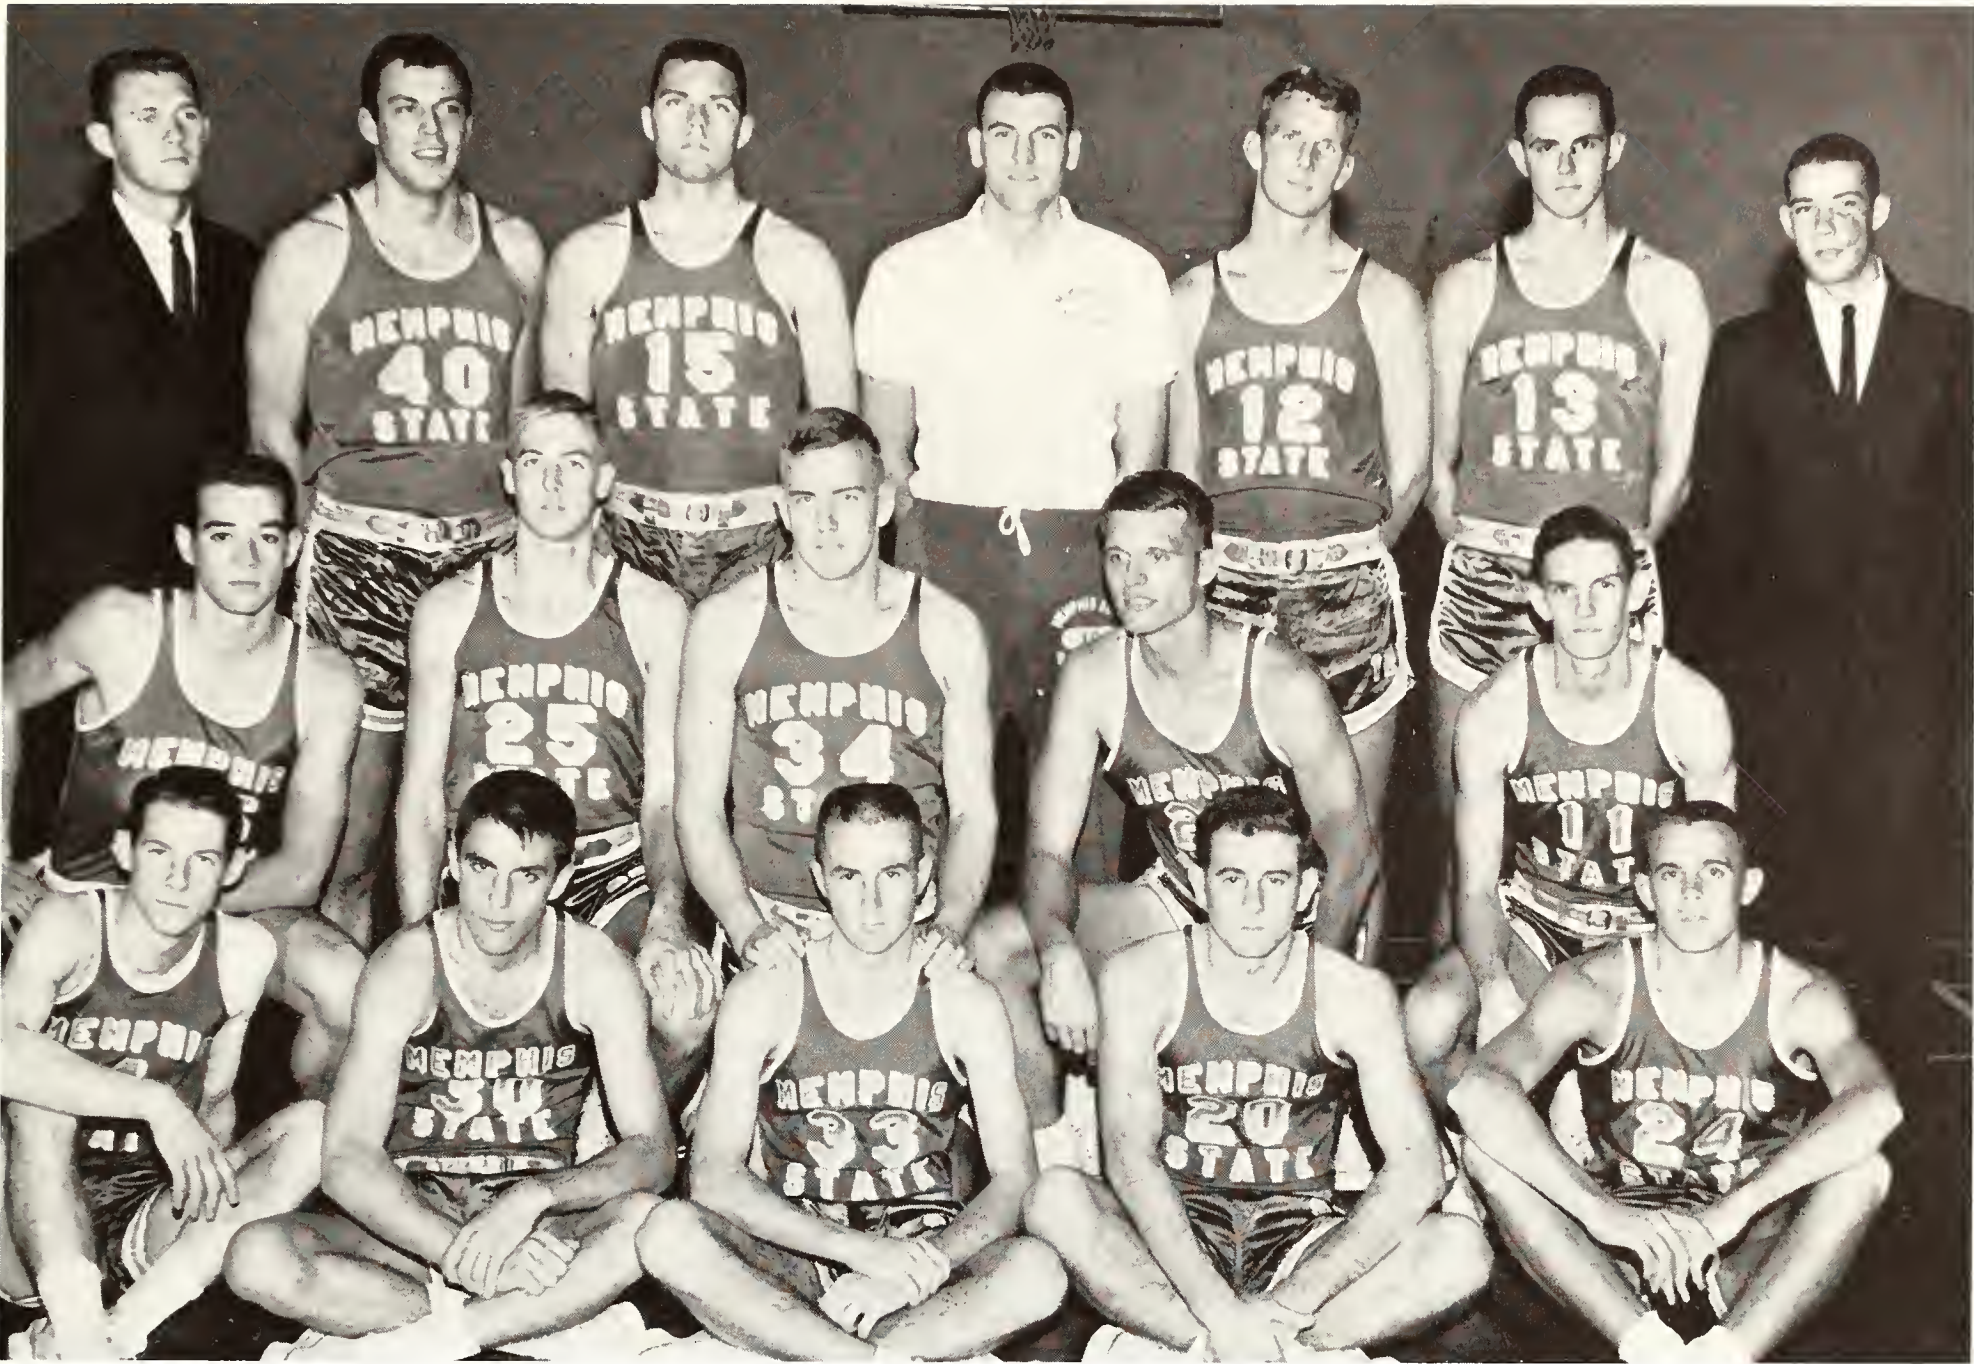

LOYOLA OF THE SOUTH 48

Memphis State avenged an earlier loss by outlasting the Wolfpack of Loyola in a close game played on the Tiger campus. The Tigers finally penetrated Loyola's defense as the fast break began to click. Soph John Hillman headed the scorers with 15 points in the low scoring game. Hunter Beckman was close behind with 14.

CENTENARY 79

Hunter Beckman put on a scoring display that came close to breaking the Field House record in Shreveport. Hunter ended up with 38 points, high for any Tiger player this season. This was the first time Memphis State had ever defeated Centenary on the host's court. Coming up next for the Tigers—the NIT in New York.

Freshman Basketball

The Tiger Freshmen rounded out the season with a winning record by defeating Southern Baptist in a thrilling game to complete the year with a 9-8 record. The future Tigers ran up against some tough competition all through the season, but played like veterans when the occasion arose. The main scoring punch was provided by forward Jim Atha and guard B. G. Petty, while Don Hawkins did a large part of the work on the boards.

COACH AL BROWN

Baseball

Prospects for a successful baseball season are bright this year as a host of returning lettermen greeted Coach Brown for the first day of practice. Included in this group was last year's leading hitter, John Bramlett, and pitcher Billy Patrick, who was undefeated. In his first year as baseball coach, Brown looks for a good year on the diamond.

A schedule of nineteen meets have been set up for the tennis team this spring by Dr. Walker, the team's coach. This spring four lettermen return from last year's squad which compiled a 2-4 record and finished fourth in the Tennessee Intercollegiate Athletic Conference Tournament. Kenny Lewis, T.I.A.C. singles champion, is listed among the returnees. Also returning will be George Bodamer, Steve Haley, and David Lambert. A welcome addition to the team is Bonnie Donderville, the first girl to play on the tennis team. Ray Sanders, John Robinson, Shelby Bruton, William Wynn, Barry Niel, and Bill Stratton complete the squad.

The tracksters warmed up for the coming track season with a series of indoor meets. Coach Glenn Johnson was optimistic after three school records were set in indoor meets. Freshman Gary Kelley broke the old high jump record with a leap of 6 feet 4½ inches. Letterman David Hathcock clipped the record for the high hurdles with a :7.4 clocking and the lows in :6.9. Freshman Russell Polhemus tossed the shot for a new record of 51 feet 6 ¾ inches in his first college meet. Returning lettermen include hurdler Gene Scanlon, quarter miler Bob Scanland, distance man Joel Laney, and hurdler Tommy Vaughn.

“The Dark at the Top of the Stairs”

Initiating the 1962-63 season for the Memphis State University Theater was Williams Inge's “The Dark at the Top of the Stairs” produced by Mr. Floyd Herzog. This play depicts the lives of a traveling salesman, his dominated wife, overly protected son, and shy daughter. Billie Hall, who portrayed Cora Flood, a young mother with domestic problems, carried the tempo of the play, while Robert Womack added life and vivacity to the production in his role as Rubin Flood, a poorly educated traveling salesman. The play, rather than depending heavily on symbolism, was a very realistic portrayal of the thoroughly believable characters.

Cora Flood shields her son as her sister relaxes by removing her corset.

Robin Flood looks toward the top of the stairs.

“Antigone”

“Antigone” depicted the tragic history of the Oedipus family. The major theme of the play consisted of the conflict between individual conscience and respect for the state. Outstanding performances were achieved by several members of the cast, including Billy Hall as Antigone, the strong-minded heroine, and Charles Stewart, the pompous, deadly, but human King Creon. The simplicity of the set added to the production. Mr. Bradford White directed the performance of the play.

Looking upon death, King Creon searches for an answer.

Mr. White emphasizes a certain point in the play.

Katherine receives lesson in English from her handmaid.

“King Henry V”

“King Henry V,” the story of King Henry of England’s quest for power and popularity, opened the 11th annual Memphis Shakespeare Festival. The cast, under the direction of Gladys Vaughn of the New York Shakespeare Festival, numbered more than fifty. Among those who displayed outstanding performances were George Hearn, who played King Henry; Dennis Jones, who played the Chorus; Al Gresham, who played the French king; and Roy Hill, who played Henry’s faithful Welshman, Fluellen. The play’s success was due not only to the excellent acting, but also to the diligent efforts of the stage crew, both preceding and during the performance.

Concern over the battle is portrayed in the faces of the French King and his aides.

Among its achievements the M.S.U. Marching Band played at Mississippi State and made films for the British Broadcasting Company which were shown on the British tonight show.

Director Tom C. Ferguson is looking forward to an even larger band and another successful season next year.

DeSoto Staff

Deep in the catacombs of the Administration Building's basement, if you search hard among the utility closets or dusty prop rooms, you may be lucky enough to find that small cubbyhole known affectionately as the DeSoto office. The DeSoto, in case anyone is wondering, is the University yearbook, or at least that is what the DeSoto staff hopes will be the end result of their meager but conscientious efforts. Often in the wee hours of the morning this diligent crew can be seen working feverishly to meet deadlines. In case you do not receive this book 'til the fall of '63, you will know that these deadlines were not met. Though some of the fault lies with the labor, the union was not very strong this year. One drawback was our photographer, Gil "Bert" Michael, who thought we were rewriting *Gone With The Wind* and needed no pictures, while our copy editor, Gail "Campus Cutie" Bishop, thought it was an entirely photographic publication. But all were kept in line by the whiplash of our "Great White Leader," Lewis ("What, me worry?") Trotter, who thought we were putting

out a comic book. Behind every great man, pushing him of course, is a woman. On the staff it was Associate Editor, Jane "Mother" Cummings, who understood the DeSoto to be an edition of *Mother Goose Tales* for the college student. Meanwhile, if pimiento cheese is found between the pages of this yearbook, our Class and Faculty Editor, Katherine "Betty Crocker" Paxenos, who thinks we are publishing a cook book, has been eating lunch on the copy desk again. Two other grumpy but lovable staff members are Butch "Ben Casey" Alford, who insists the DeSoto is a medical brochure and Carol "Boss" Schwill, who has for two years thought she was secretary of a *How To Win Friends and Influence People* magazine. Next we have Suzanne "Show Me" Bowling, Personalities Editor, who thought she was not working on anything, and Bill "Eagle Eye" Trusty, Junior Class Editor, who uses the DeSoto office as a training school for photography. If you find sly but obvious indoctrination toward certain views in our DeSoto, please remember these are the opinions of certain individuals and not of the sponsor. We, the innocent, are forced to admit it was AFROTC

Editor, Larry "Scrambled Eggs" Rogers, who insisted the yearbook was one huge petition to convert Tiger U, into an Air Force academy, Jill "Above Average" Jaques, Entertainment Editor, who thought she was working on a pamphlet for the conversion of Memphis State into a second Pink Palace, and Sports Editor, Dave "Gung Ho" Farmer, who thought an article should be inserted in his section stating that next fall all incoming freshmen must participate in at least one sport. George "Know-nothing" Mitchell, Religious Editor, did nothing because he knew nothing (mainly how he got on the staff).

Well, enough of this foolishness. Let us be serious for a moment as we express our most humble and sincere gratitude to the Tiger Rag Answering Service, whose mournful cry we can still faintly hear—"No, we don't know where Trotter is."

Director of Public Information

Public Information Office

The Public Information Office was established at Memphis State University last summer to coordinate the university's varied dealings with public media; to assist in public relations activities; and to assist in research projects. In addition to dealing with the local Memphis newspapers, the Public Information Office is in direct contact with all Tennessee and many out of state newspapers, radio stations and television stations. Two local radio shows are edited by the Public Information Office.

Dr. William Osborne, advisor, and Jack Baker, editor, look over the new Phoenix.

Phoenix

The Phoenix, a literary magazine sponsored for undergraduates with the endorsement of the English Department, provides an opportunity for those with literary and artistic talent to express their creativity. It derives its name from the mythological bird symbolizing immortality. The Phoenix was consumed in the fire by its own act and rose again from its ashes with youthful vigor and freshness. Essays, poetry, and short stories are accepted for publication by the editor.

News Bureau

The Memphis State University News Bureau supplies news and information to the newspapers of West Tennessee and the Mid-South. Often the news releases contain information of the accomplishments of students and are sent to the hometown newspaper of the student concerned. Students enrolled in the Writing Projects course in the Department of Journalism assist in gathering and disseminating news. In addition to serving West Tennessee, the News Bureau also sends publicity releases to newspapers throughout the 42 states which are represented by students at Memphis State University.

Alpha Gamma Delta was founded on May 30, 1904, at Syracuse University, Syracuse, New York, on the basis of good scholarship and sisterhood. In addition to high scholarship, participation in social and religious groups has always been stressed to give fulfillment to college life. The flowers of Alpha Gamma Delta are red and buff roses, and the colors are red, buff, and green.

September started another busy year for the Alpha Gams with the pledging of twenty-one girls. The members had fun in planning and giving Halloween, Christmas, and Easter parties for the crippled children at the Les Passes Center, a "Calypso" party for the pledges, and the Snowball formal which headed the agenda for Alpha Gam's social activities.

The members and pledges have shared in many honors and activities among which are MSU varsity cheerleader, Pikettes, Alpha Lambda Delta, Angel Flight and one of the members was honored by being chosen "KA Rose."

Alpha Delta Pi—one of the oldest sororities in the world—was founded May 15, 1851, at Wesleyan College in Macon, Georgia. From that first small group of Southern women, ADPi has grown into a sisterhood which today is spread throughout the United States and Canada. ADPi's live by their creed—"I believe that my sorority is more than a ritual or a symbol; that it is a way of life . . ."

1962 was another busy and exciting year for Alpha Delta Pi. In leadership ADPi furnished leaders for many campus organizations . . . SGA secretary, Junior Class Secretary, Sophomore Class legislator, MSU cheerleader, Sigma Chi Sweetheart, and dorm counselors. In scholarship, ADPi again received the sorority scholarship tray and had members in academic and scholastic honoraries on campus. In activities there were philanthropic projects, sorority volleyball intramurals, a Fall outing, a Christmas party, the annual dinner-dance, and the wild and thrilling Powder-Puff football game with Phi Mu, in which ADPi emerged victorious.

Alpha Xi Delta was founded April 17, 1895 at Lombard College, Galesbury, Illinois. The sorority's ideal, as set forth by its ten founders, is to strive for friendliness and a close sisterhood while attaining achievements in leadership, scholarship, and service to others. Our national chapter has founded 102 chapters with the MSU chapter being established in 1949. The flower is the pink Killarney Rose, and the colors are double blue and gold. The pin is a gold Quill with the Greek letters Alpha Xi Delta in burnished gold on the barbs of the feathers.

Alpha Xi Delta began the new college year following a successful rush with a "Suppressed Desire" party given in honor of the pledges. Following this was the annual Apple Polishing party in honor of the faculty, slumber parties, a Christmas party, and the Quill Ball. The members were also busy on campus with members in Tassel, Who's Who in American Colleges and Universities, dormitory counselors, campus club officers, and members of the MSU varsity volleyball team.

The Delta Lambda Chapter of Alpha Phi International Fraternity was colonized on the campus of Memphis State University October 11, 1962. Alpha Phi was founded October 10, 1872, in Syracuse, New York. Eighty three chapters constitute the Collegiate Chapter Roll. The Delta Lambda Chapter is proud to join the nine sororities now on the MSU campus, all striving together to advance the high ideals of womanhood, scholarship, and service.

Alpha Phi began its first year on campus by participating in several events and striving to establish its ideals on campus. The members were honored by several parties given by various sororities on campus. Through these activities, many friends were made. Honors received by the Alpha Phis included Alpha Lambda Delta and dormitory officers.

The Gamma Alpha Chapter of Gamma Phi Beta was founded at Syracuse University in 1874. Since then the fraternity has founded more than eighty-five chapters throughout this country. Its flower is the pink carnation and the colors are the double brown. The present day members remain true to the ideals set forth by the four founders. The open motto, "Founded on a rock," has become even more meaningful to Gamma Phi's as they embark on an expansion program, both in philanthropy and collegiate chapters.

The members and pledges have participated in many activities and had many honors bestowed on them. Among them are a Halloween hayride, fraternity exchanges, slumber parties, pledge-active dinners, informal dances, and the "Crescent Cotillion."

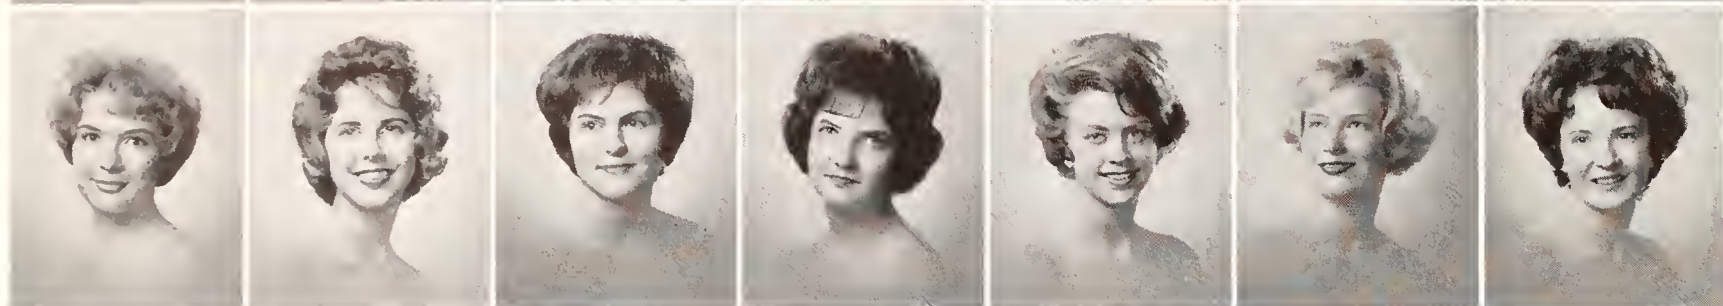

Enthusiastic, proud, and ambitious, Gamma Phi's have assumed places of leadership in their respective organizations, dormitories, activities, and classrooms. Working together, playing together, learning together, Gamma Phi Beta has served each member during the year as a friend, ideal, and inexhaustible source of pleasurable memories.

Delta Zeta was founded in 1902 at Miami University, Oxford, Ohio, by six girls. It was installed at Memphis State in 1947, and at present has 143 active chapters across the United States. Girls wearing the Delta Zeta lamp symbolize their purpose—to unite its members, and to develop plans for guidance and unity in action.

Delta Zeta began their year with a Halloween Party, "Come or Bewitch'd," followed by an informal dance, a Christmas party for members and pledges, and ending with their "Rose Petal Ball." To highlight Greek Week, Delta Zeta sponsored its annual Delta Zeta Follies, the proceeds of which were given to the Memphis State Scholarship Fund.

Among the honors held by the DZ's are the sweet-hearts of Lambda Chi Alpha and Sigma Phi Epsilon, and Who's Who in American Colleges and Universities. The members are represented in Liberal Arts Honor Society, Tassel, Orchesis, Pegis, Crescents, the Tiger Rag and DeSoto Staff. The many activities that the DZ's have participated in have made this year great for Delta Zeta.

Pi Beta Phi Fraternity was founded April 28, 1867 at Monmouth College, Monmouth, Illinois. It became the first national sorority a year later when a second chapter was formed at Iowa Wesleyan University. The fraternity has now grown to 108 chapters throughout the United States and Canada.

September, 1962 saw the Pi Phi's pledge thirty-two girls in what turned out to be the "best rush ever." The group immediately began winning honors on campus and participating in the campus life of MSU. The year got off to a big start when the pledges won the coveted "Derby Day" trophy. The annual "Stag Night with Pi Phi" proved a great success and was followed by the Christmas formal, "The Wine Carnation Ball." In the Spring, the Pi Phi's entered All-Sing, presented the annual fashion show, and placed third in volleyball intramurals.

Other campus honors included Pi Mu Alpha and Acacia sweethearts, members in many fraternity courts, Vice-President of the Senior class, alternate cheerleader, Panhellenic Treasurer, officers and counselors of the dorms, officers of various clubs, Greek editors, and members in Orchesis, Pikettes, Angel Flight, Tassel and Alpha Lambda Delta which proves that beauty and brains *do* mix!

The Alpha Phi Chapter of Sigma Delta Tau was initiated on June 4, 1962. During their first year as a new chapter, Alpha Phi has had a well-rounded program which has included many activities. The Sig Delts, as they are known, served as waitresses for a dinner sponsored by the Region Lodge of Jewish Women. On Thanksgiving SDT joined with AEPi fraternity for a social which was thoroughly enjoyed by every girl. The chapter has its dinner meeting each month in order to keep the spirit of sisterhood alive. Intramurals play an important part, and participation in every competitive contest has proven to be an enjoyable experience for each girl.

The chapter had a very successful rush this year, and through many different parties, gained new and lasting friendships.

Sigma Kappa was founded in Waterville, Maine, at Colby College in 1874. The idea of the five founders was to unite its members in a bond of sincere friendship for the development of character and the promotion of social and intellectual culture. Sigma Kappa now comprises over 100 chapters in the United States with a total membership of over 32,000. Beta Xi chapter was organized on Memphis State's campus in 1947.

After a very successful rush program, Sigma Kappa highlighted its social calendar with big-little sister activities, the Founders' Day Banquet, and the annual Spring formal. Sigma Kappa also claimed the DeSoto Beauty Queen and the first alternate, Sigma Chi Derby Doll, Homecoming Queen, two fraternity sweethearts, and sweetheart club members. The sorority contributed campus leadership through the Panhellenic President, Senior Class Secretary, Chief Justice of the Supreme Court, Freshman dorm counselor, seven members of Angel Flight, two cheerleaders, two majorettes, and officers of various clubs. Sigma Kappa was also represented in Tassel, Alpha Lambda Delta, Orchesis, and other honoraries.

Phi Mu was organized on March 4, 1852, at Wesleyan College, Macon, Georgia, as the Philomathean Society. Three important founders of the sorority are Mary DuPont Lions, Mary Myrick Daniel, and Martha Hardaway Redding. The proud colors which are worn by each member are rose and white, and the flower is the enchantress carnation.

The Kappa Lambda Chapter at Memphis State was founded on March 4, 1947, and since then the sorority has shared many honors and activities. Among them are offices held in the student government, Who's Who in American Colleges and Universities, Alpha Lambda Delta, Angel Flight members, offices in Tassel, and "Dream Girl" of Pi Kappa Alpha plus two other members in the court.

Philanthropic work included a Halloween party at the Crippled Children's Hospital. Parties were those given for the pledges and the Mardi Gras Ball.

Panhellenic Council

The Panhellenic Council at Memphis State University is made up of delegates from each of the ten member sororities on campus and functions in the general interest of the entire group. Working to uphold the "Greek" ideals sponsored by the National Panhellenic Council, the MSU group achieves a spirit of cooperation as it plans and coordinates various campus activities such as Sorority Rush, Homecoming, Greek Week, All-Sing, and Delta Zeta Follies. In addition, the Panhellenic serves the University by furnishing ushers for school functions and being available to work with the administration for special events.

Interfraternity Council

The regulatory body of the campus social fraternities is the Interfraternity Council, composed of twenty-seven delegates and five officers. The IFC in its business meetings settles disputes between the member groups and decides issues of concern to all groups. Beginning with Rush Week in the fall and climaxing with Greek Week in the spring, the Interfraternity Council conducts a varied and full schedule of events. The IFC is a vital group, planning boldly for the future growth of the fraternity system at MSU.

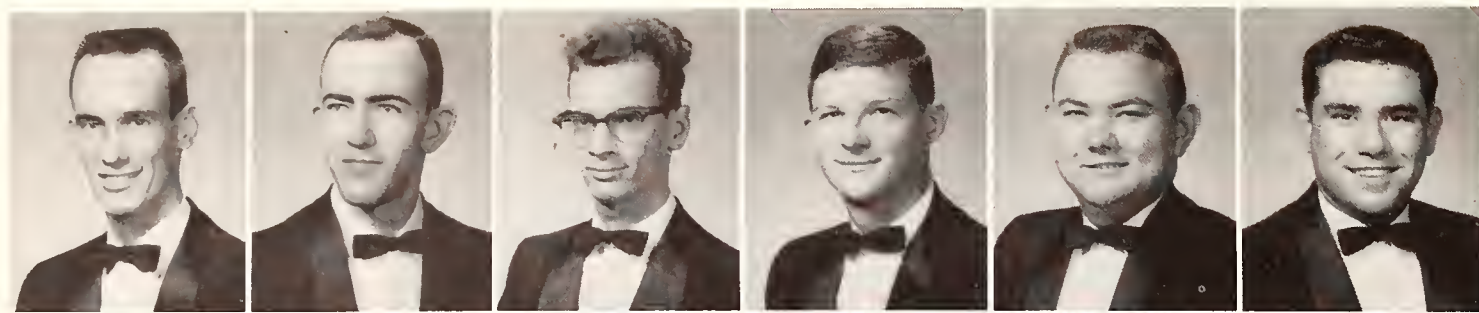

The past year saw the IFC move into spacious, well-appointed offices which are shared with the Student Government Association. The offices are located on the upper level of the University Student Center, with openings on the balcony overlooking the Patio. Early in December, President Buddy Kleiser attended the National Interfraternity Council Convention in Pittsburgh. The ideas which he brought back with him proved invaluable to the Council during the entire year. Our advisor is Dean R. M. Robison, who is always ready to meet with us on any problem.

Acacia was founded in 1904 at the University of Michigan. After the clientele slumps during World Wars I and II. Acacia is only today realizing its potentialities with forty-eight active chapters ranging in location from Michigan to Florida, and from Massachusetts to California. The primary objectives of Acacia are to instill within its members the principles of morality, sociability, and scholastic achievement.

The Memphis State chapter of Acacia fraternity, the newest national social Greek fraternity on campus, in its opening months established a national precedent by its unequaled transition from colony to chapter in only four and one-half months. From the enthusiastic spirit shown by its members, all signs indicated that Acacia would have commensurate success in all campus activities. We eagerly anticipated our two largest social functions of the year, the Black and Gold Formal, and the "Night on the Nile," both of which will be long remembered. In the realm of pulchritude, the Acacia sweetheart is Barbara Anderson of Pi Beta Phi, the reigning Miss Frayser.

Kappa Alpha again started the fall semester with a wonderful and outstanding rush. The highlights of the year came from our well-rounded fraternity program given by Brothers to Brothers. Gamma Gamma chapter is represented in all walks of college life: athletics, officers of chartered campus organizations, honorary and professional fraternities, intramurals, Student Government, and academics. The national Kappa Alpha Rose, Diane Jetton, leads our many social events, which include the Old South Ball, Black and White Formal, Cotton Pickin' Ball, Sharecroppers Party, and many open houses and pledge gatherings.

Kappa Alpha was founded at Washington College, now Washington and Lee, in 1865. We are a national fraternity with Southern customs of chivalry, honor, reverence, and humility as possessed by our spiritual founder, Robert E. Lee. Ninety-two chapters and a total of 72,000 members represent KA from coast to coast and from "New Orleans to Baltimore." Gamma Gamma was organized at MSU in 1948, and in 1953 we moved into the first fraternity house on campus. Just last year we acquired an annex to supplement the original mansion which indicates the ever-growing strength of Kappa Alpha.

The Kappa Sigma Fraternity was traditionally founded at the University of Bologna in Europe in 1400. Kappa Sigma was brought into existence in the United States at the University of Virginia in 1869. Since then, 135 chapters have been founded throughout the U.S. and Canada. The colors are scarlet, white, and emerald green, and the flower is the lily-of-the valley.

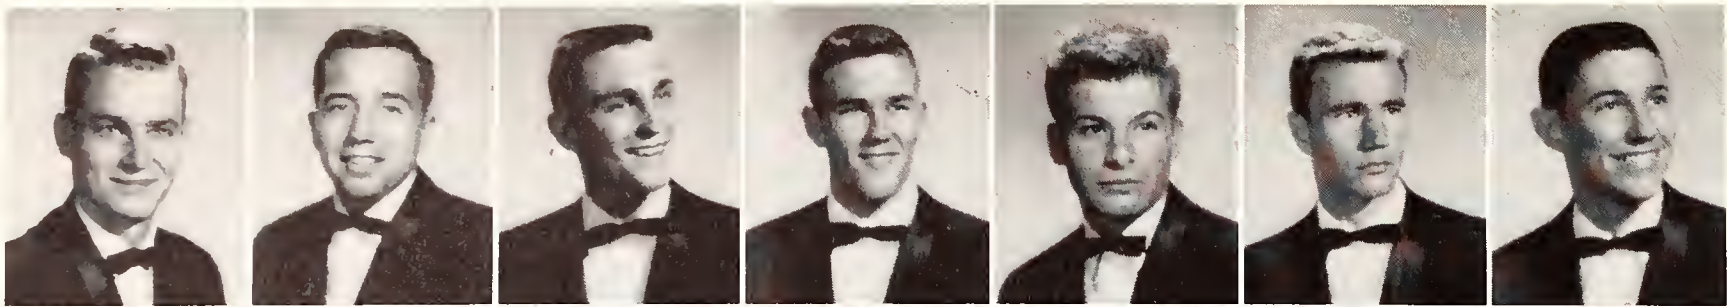

Kappa Sigma started the year off with a very successful rush. We were well represented in the intramural program and throughout the many honoraries and leadership clubs on campus. This year Kappa Sigma has two members of Who's Who in American Colleges and Universities, and a senior Justice of the Supreme Court. Also, we are proud to have the Administrative Vice-President of the Interfraternity Council.

The social highlights of the season are the annual Stardust Ball and the Harem Party. We certainly cannot overlook our lovely sweetheart, Barbara Borum, a transfer from the University of Mississippi.

Lambda Chi Alpha Fraternity was founded in 1909 at Boston University by an enterprising group of young law students. Since its beginning, Lambda Chi has become the largest international fraternity. The purpose of Lambda Chi is to instill within its members the very substance of a well-rounded character. The foremost ideals of Lambda Chi are Christianity, patriotism, morality, loyalty, truth, justice, honor, industry, learning, fraternity, and the spirit of brotherhood.

The men of Lambda Chi Alpha have among their members: the president of the SGA, the Freshman Class, and the Sophomore Class, Chairman of the Election Commission, president of Delta Sigma Pi, president of the Engineering Club, AFROTC officers, members of the University Band, and members of Delta Kappa, Young Democrats and Young Republicans. We also participate in intramural activities as well as All-Sing.

Lambda Chi's social activities consist of the Harvest Moon Ball, Mistletoe Ball, Artist and Models Ball, the Founder's Day Formal, and many informal gatherings. Attending all of our events is our sweetheart for the 1962-63 year, Penny Robinson of Delta Zeta.

From the bonds of friendship of six students at the University of Virginia, Pi Kappa Alpha has grown to one of the largest fraternities in the United States. Founded March 1, 1868, "for the mutual benefit and advancement of the interest of those with whom we sympathize and deem worthy of our regard," PiKA has upheld this tradition.

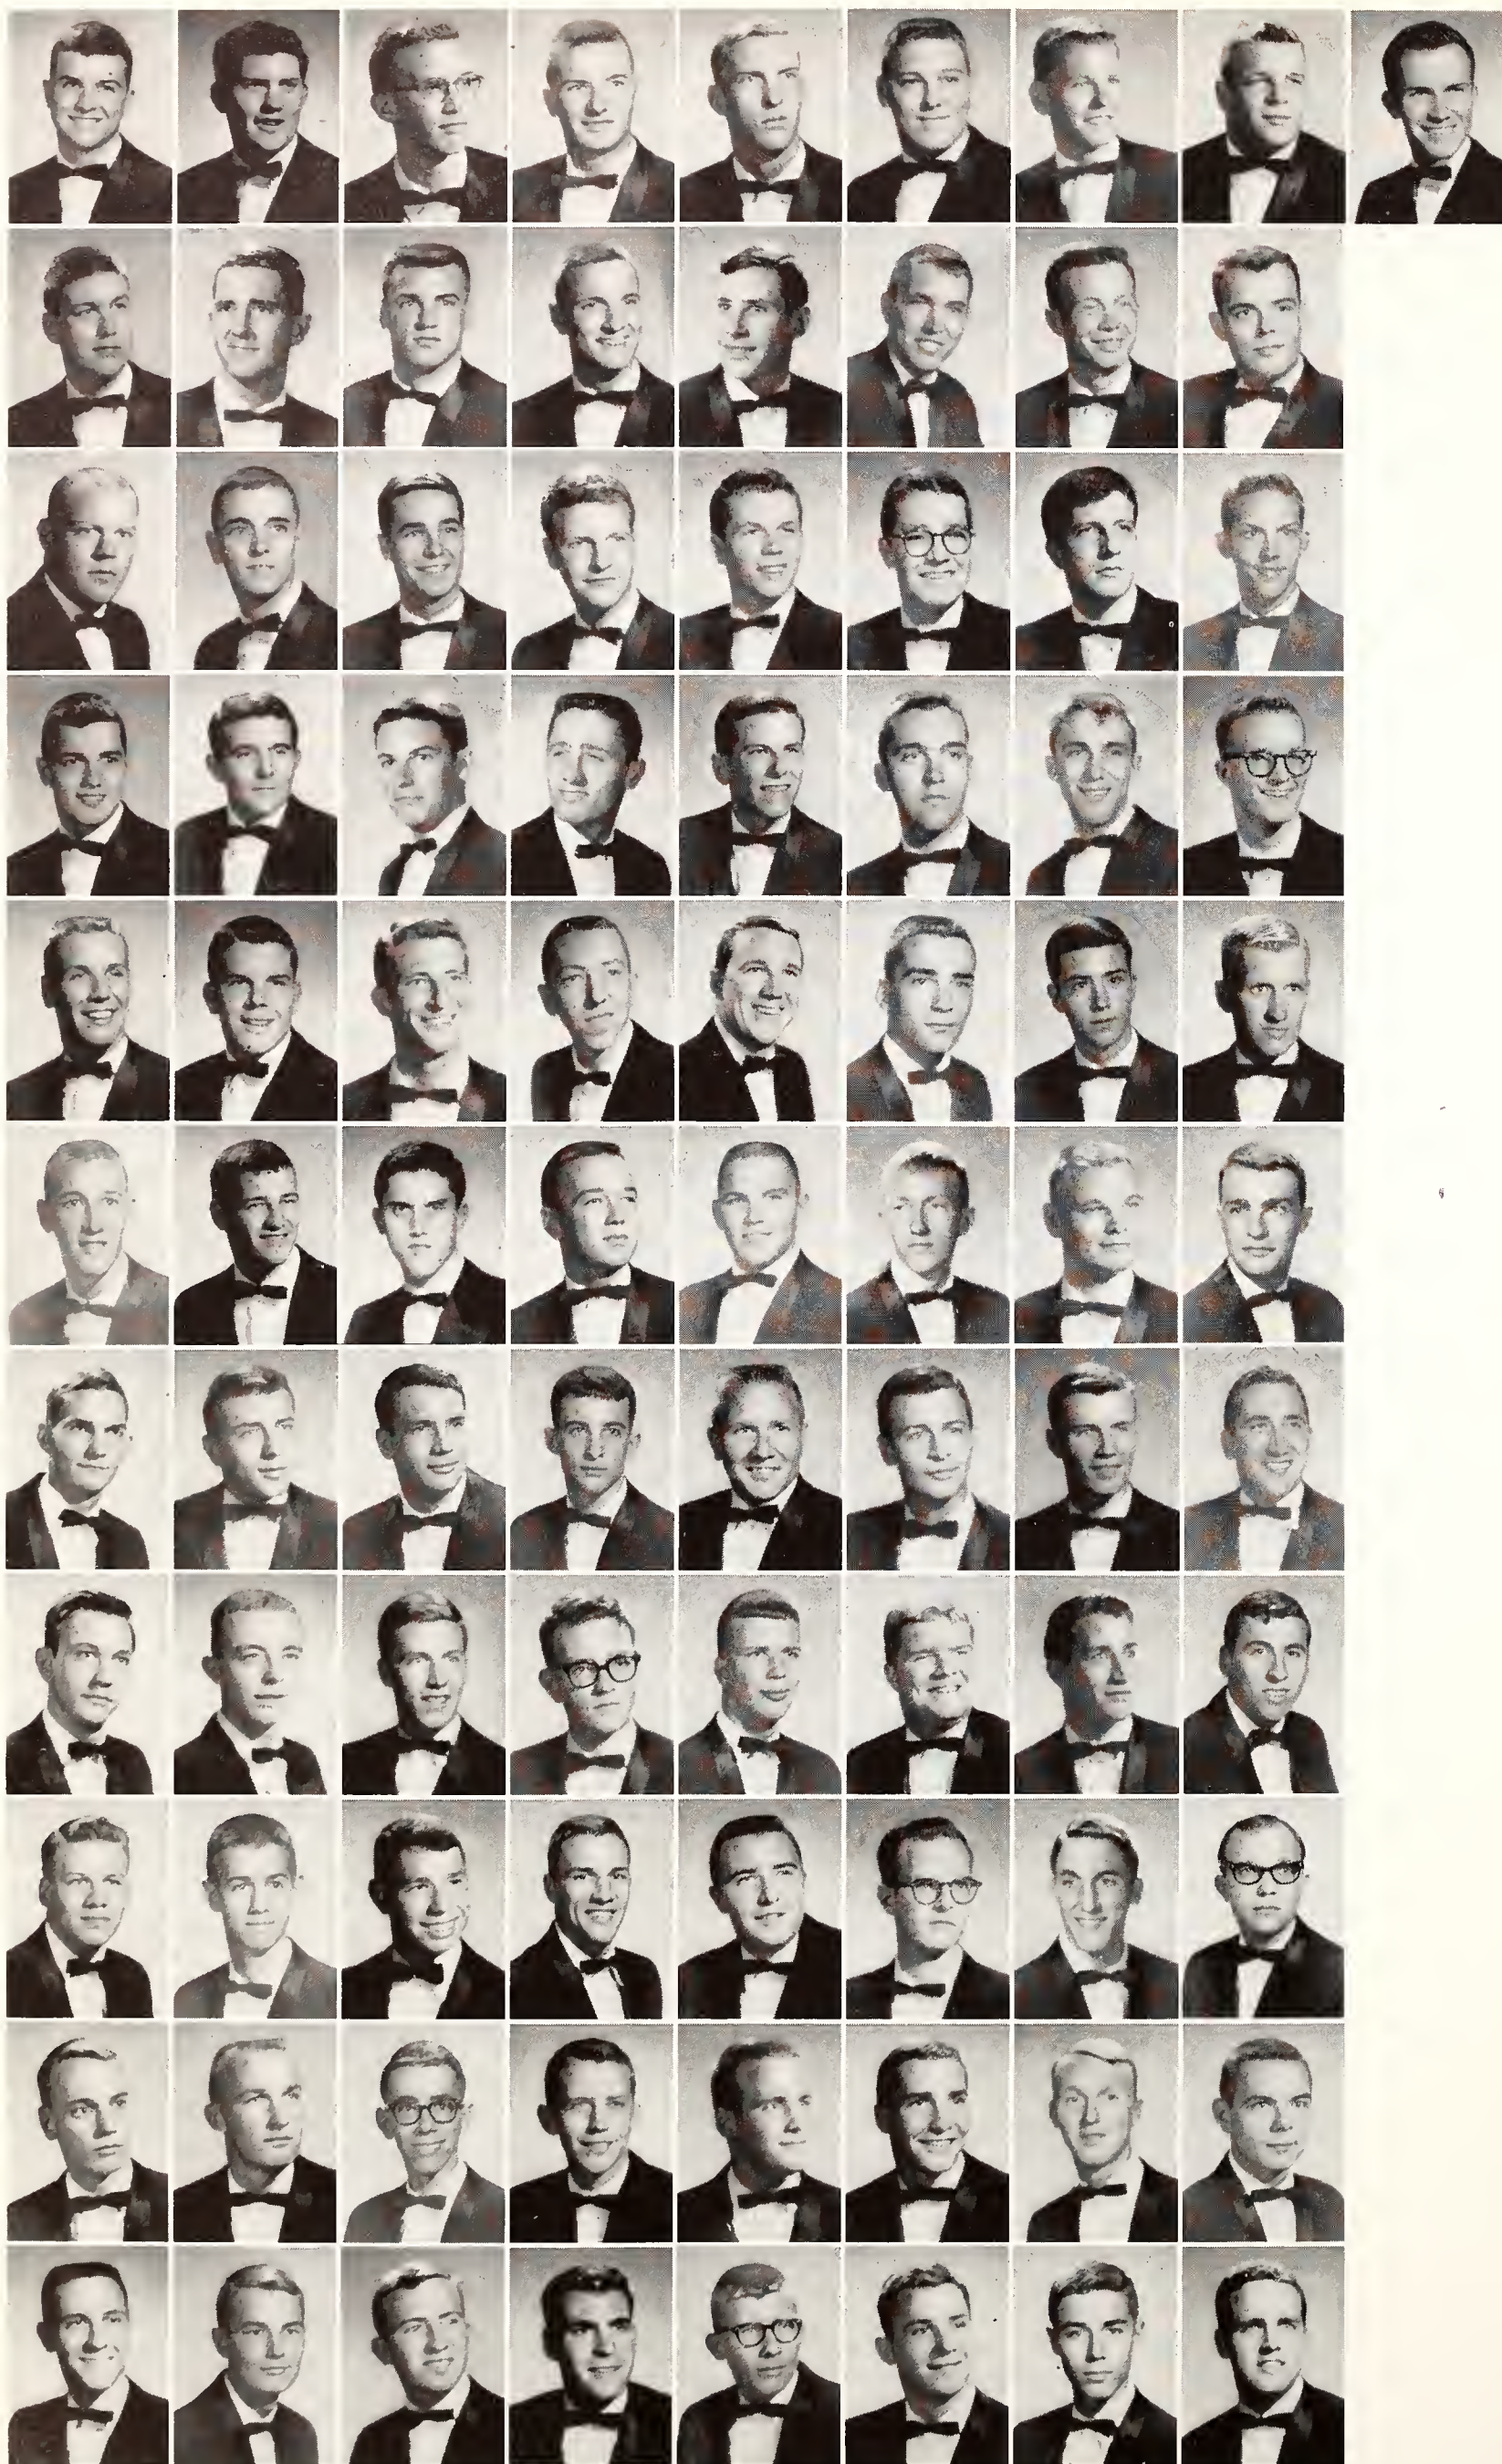

With the largest pledge class on campus, the Pikes had another successful year. Their leadership was displayed by the presidents of the Senior Class, Cub Club, S.A.M., Young Democrats, Pre-Legal Society, Editor of the DeSoto, and News Editor of the Tiger Rag. Further leadership was displayed with four brothers being elected to Who's Who and three to Student Government offices. Pike is represented in all school sports and placed in the top three in intramurals.

Social activities are an important part of every PiKA. The Dream Girl Ball is the highlight of the spring semester with the Founder's Day Banquet and Senior Outing being two other outstanding events of the year. The Pi Kappa Alpha Dream Girl for the 1962-63 year is Carole Weir of Phi Mu.

Tennessee Sigma of Sigma Alpha Epsilon is ten years old as a national fraternity at MSU. One of 146 collegiate chapters with an active membership of over 112,000, we are a part of the largest social fraternity system in the world. Founded in 1856, Sigma Alpha Epsilon has become one of the recognized leaders among national social fraternities.

SAE is very active in all school sports and intramural competition. Campus activities such as the Inter-Fraternity Council, Delta Kappa, the Drama Club, and Pi Sigma Epsilon are led and supported by SAE members.

On the social side, we host the annual Mid-South Rush Party, and enjoy our own Roman Toga Party, Suppressed Desire Party, and Black and White Ball, the highlight of the social year. Christmas and Easter parties are given annually for the underprivileged children of Memphis.

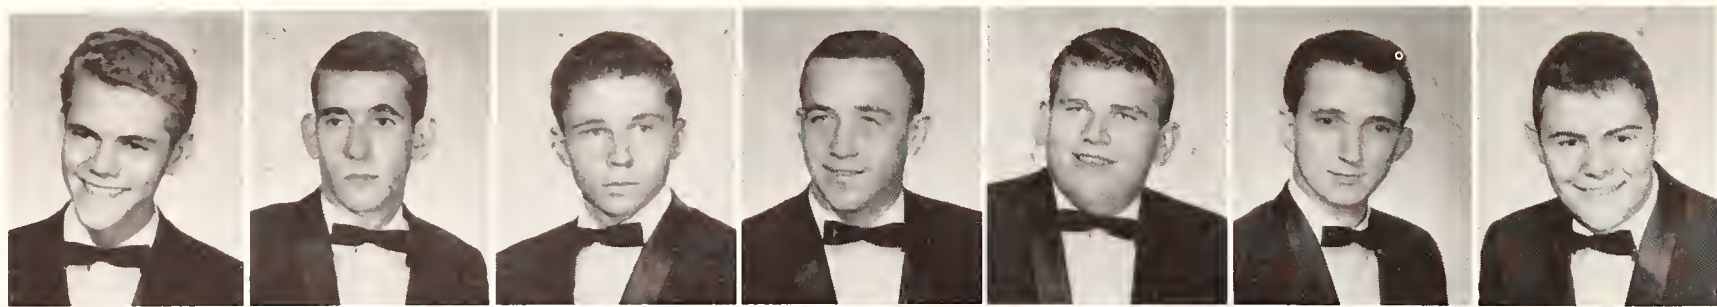

SAE is an entire pattern of thinking that shapes the lives of the brothers—present and future. It is for this reason each brother says with pride and devotion, "I am an SAE."

Patsy Jones of Sigma Kappa is the present sweetheart of our fraternity.

The Sig Ep's take a back seat to no one when it comes to social events. Sigma Phi Epsilon leadership was proven by Presidents of the Inter-Fraternity Council, Accounting Club, Phi Sigma Epsilon, Social Science Club, Delta Kappa, and vice-president of the Freshman and Sophomore classes.

The associate editor of the Tiger Rag and captain of the Cheerleaders wear the golden heart of Sigma Phi Epsilon. The secretary of the Arnold Air Society and varsity athletes are counted among its members.

Second place in the Delta Zeta Follies came to the Sig Ep's this year and the social life is highlighted by the Buccaneer, Gay Parisienne, and "49'ers" parties with all fraternity social functions culminating in the beautiful "Queen of Hearts Ball" that is held in the spring. Our sweetheart is Bettye Dillon of Delta Zeta.

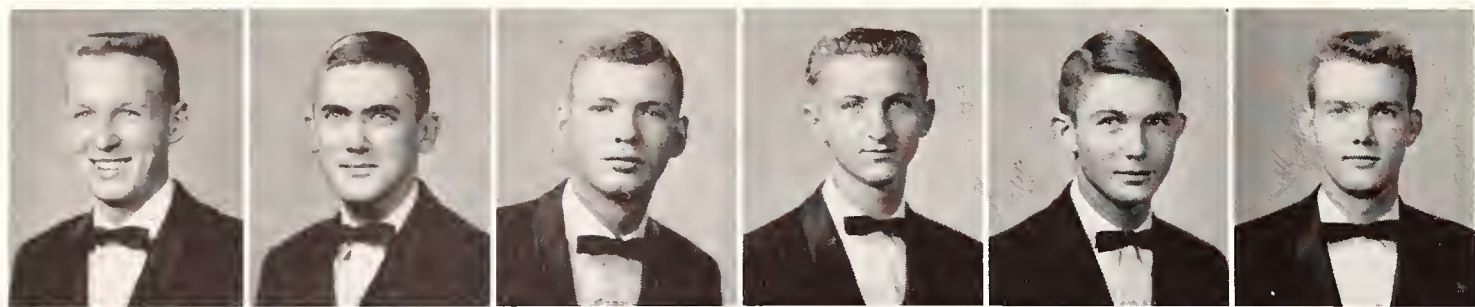

Sigma Phi Epsilon represents brotherhood and is constantly striving to improve campus spirit among the Greeks and Independents.

SPE is the oldest organization on campus, having been founded in 1913, just one year after the school opened its doors to the first students. Known locally as the Seymour Allen Mynders fraternity, it became Tennessee Beta chapter on April 12, 1949.

Sigma Chi was founded on June 3, 1855, at Miami University in Oxford, Ohio. At the present time we have 134 chapters with over 100,000 members. Epsilon Kappa chapter was chartered on the MSU campus in 1951. Our house, located at 3582 Mynders, can accommodate twenty members and our house mother, "Mom" Wood. An added attraction is the new chapter and party room located in the rear of the house.

The fraternity is honored to have leadership in many organizations on campus, such as the Student Government, Interfraternity Council, and AFROTC. Other members take part in dramatics, band, varsity football, and various other groups.

This past year the third annual Derby Day was held for the pledges of Sigma Chi and all sorority pledges. The Derby Day trophy was won by Pi Beta Phi sorority, and the Derby Doll was Carmen Evans.

Other events held by the fraternity are its annual Christmas party, and the highlight of the year, the Sweetheart Ball, when the new sweetheart is announced. Harriet Keough of Alpha Delta Pi is this year's sweetheart.

In Hoc Signo Vinctes—"In this sign you will conquer," is the living motto of all good brothers of Sigma Chi.

Phi Gamma Nu, a national Panhellenic sorority, was installed on the Memphis State University campus in 1951. The sorority colors are cardinal red and gold, and our flower is the red rose.

This year Sigma chapter opened the school activities with an exciting rush week. Our annual Big-Little Sister party was a cook-out which everyone enjoyed. Throughout the remaining social season the Phi Gams had several informal parties, open houses, a Christmas dinner-dance, and our highlight was the Moonlight and Roses Ball held in early Spring.

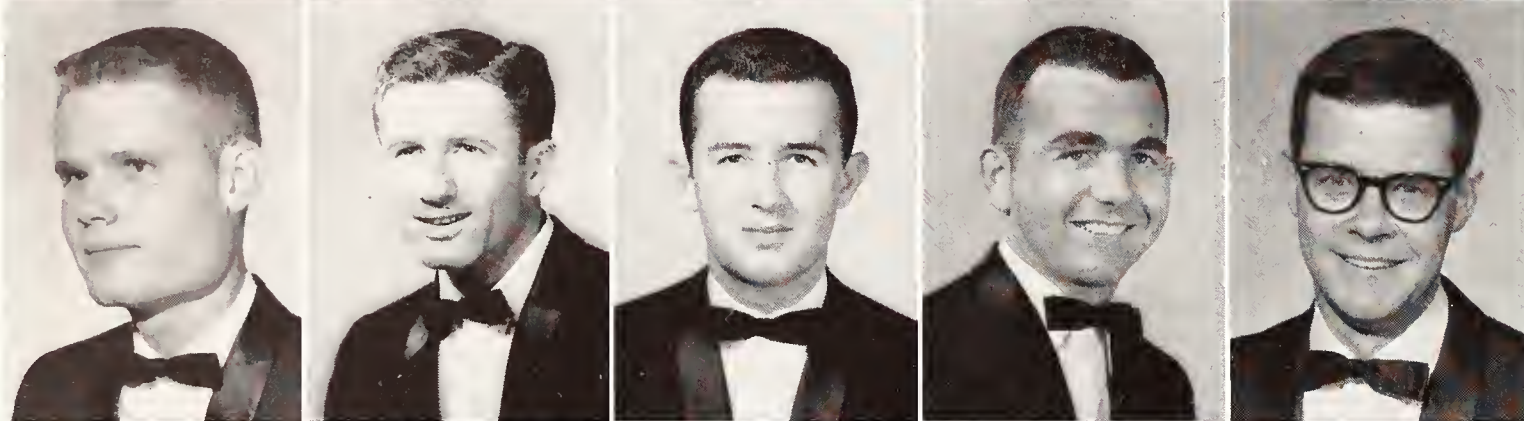

Among the honors received by our members were the election of three girls to Student Government positions, and members of Delta Mu Alpha, Tau Kappa Alpha, and Tassel.

The International Fraternity of Delta Sigma Pi was founded at New York University on November 7, 1907, and since that time has expanded to 111 chapters and over 50,000 members. Gamma Zeta chapter at Memphis State University was established on April 9, 1949, and has initiated over 400 members since that time.

Delta Sig is a professional business fraternity which offers students enrolled in the School of Business an opportunity to associate and work with fellow students having similar interests and aspirations. Professional programs, business contacts, social activities, and fraternal brotherhood form the basis of chapter activity, and the knowledge that in Delta Sigma Pi, "we seek to excel in the business of life."

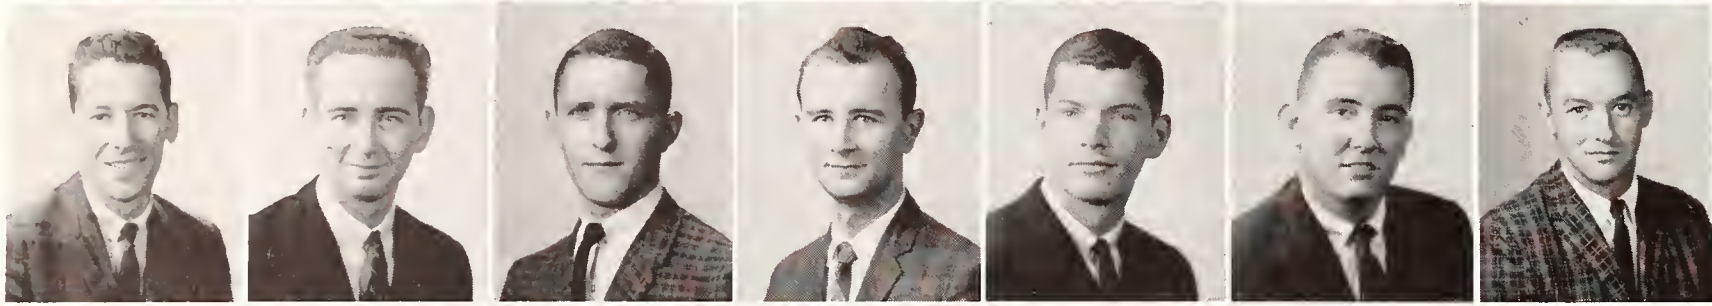

Activities of the fraternity include an annual "job opportunity" day, the formal "Rose Ball," when the Delta Sig Rose is presented, and tours of leading Memphis businesses. The Delta Sigma Pi Rose for this year is Rhea Looney.

Pi Sigma Epsilon is a national professional fraternity in marketing, sales management, and selling. The first chapter was established at the Atlanta Division of the University of Georgia on May 14, 1952. Kappa chapter of Pi Sigma Epsilon was installed on the Memphis State campus on April 26, 1958.

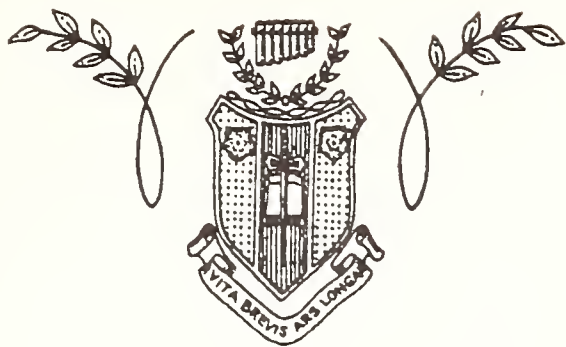

Those considered for membership are students with a major or minor in Business Administration, and planning for careers in the business world.

At present there are thirty-three active members and forty-nine pledges comprising the Kappa chapter.

The fraternity strives to encourage the establishment of courses preparing young men for careers in business and the improvement of methods and techniques in certain fields.

Theta Rho chapter of Phi Mu Alpha was founded on the Memphis State campus in 1962 and has already made many achievements. We won the Phi Mu Alpha Province 15 Manpower Award this year, and we have established and are maintaining a two-year full scholarship which is to be awarded each year to a freshman music major.

In upholding the first purpose of our fraternity, which is to advance the cause of music in America. Theta Rho presents an American Program annually, fosters instrumental and vocal ensembles, and is active in all phases of the Memphis State University Music Department.

Sue Holloway of Pi Beta Phi is this year's Sweetheart.

Who's Who in American Colleges and Universities

One of the highest honors that may be received by a Memphis State University Student, is being elected to Who's Who in American Colleges and Universities. Nominations of the senior class are made by the student body. The final selection is made by a student-faculty committee. Students are selected on the basis of citizenship, leadership in extracurricular activities, service to the University, scholarship and popularity.

Who's Who, a national organization representing 721 institutions, must approve all nominations made by the University. A book consisting of all the members of Who's Who in American Colleges and Universities throughout the nation is published.

The purpose of Who's Who is to give special recognition to those students who have shown outstanding ability in their service to the University.

Religious Council

"The Unexamined Life Is Not Worth Living."
Socrates

The University Religious Council is an organization composed of delegates of the various denominations represented on campus. It seeks to function as an ecumenical coordinating body, striving not only to achieve a deeper understanding of religion, but also to serve as an extension of the intellectual life of the campus. The Council makes an attempt to involve the student in life, to make him aware of the world surrounding him, and to help to relate himself as a human being to the contemporary scene, of which he is always a significant part.

Baptist Student Union

"Remember now thy Creator in the days of thy youth, while the evil days come not, nor the years draw nigh, when thou shalt say, I have no pleasure in them." *Ecc. 12:1*

The Baptist Student Union is a distinctive denominational ministry on all types of campuses. Its purpose is to conserve and help train Southern Baptist students for effective Christian discipleship. It functions to remind each student of his responsibility to Christ, his church, and his denomination, and of his obligation as a Christian citizen to the world in which he lives. The B.S.U. on non-Baptist campuses does not claim to duplicate nor equate the ministry of our Baptist schools, but it does provide a practical channel through which Christ reaches students.

Barth House

"And they continued steadfastly in the apostles' doctrine, and fellowship, and in breaking bread, and in prayers." *Acts 2:42*

The Barth House provides an atmosphere of fellowship and worship for the Episcopal student at Memphis State University. It seeks to develop the student spiritually as well as intellectually, while offering a shelter from the busy academic life of the university.

BARTH HOUSE: *First Row, left to right:* Jane Aldridge, Violet Samners, Vicki Gilkey, Sue Holloway, Helen Denton, Elise McDonald, Ileda Tilton. *Second Row:* Rev. W. Carson Fraser, Bill Moody, Don Fiveash, Romily Enochs, Clarence George, Jimmy Hartley.

Chi Alpha

"Now then we are ambassadors for Christ, as though God did beseech you by us." *II Cor. 5:20*

Ever since its organization in 1958, the Iota chapter of Chi Alpha has been geared to meet the fourfold emphasis of worship, training, fellowship, and service for the Assembly of God students on campus. This emphasis is based on Luke 2:52. "And Jesus increased in wisdom, and stature and in favor with God and man." Its bi-weekly meetings provide opportunities for profitable discussion, Bible study, prayer, fellowship, and evangelism. Outside activities include individual and group witnessing, conducting of services, and social gatherings.

Inter-Varsity

"Thanks be to God, who in Christ always leads us in triumph, and through us spreads the fragrance of the knowledge of him everywhere." *II Cor. 2:14*

Memphis State Christian Fellowship is a chapter of the Inter-Varsity Christian Fellowship, which is a national student movement. IV groups are on most of the major secular college campuses in the United States and in a number of countries throughout the world.

The purposes of IV groups are to present the claims and relevancy of the Lord Jesus Christ to the college student, to deepen the spiritual life of the students involved through study of the Scriptures, prayer, fellowship, and service, and to help students to find God's role for them in the worldwide mission of the Church.

INTER VARS.: *First Row, l. to r.:* Philip Hollar, Carol Hollar, Pat Trudgeon, Donna Snyder, Ann Mason, Winnie Schmidt, Judy Alexander, Richard Blackburn. *Second Row, left to right:* Locke Dillard, Donald Eilkes, Mike Eaton, Benny Garner, W. Wayne Allen, Charles Coop, Bob Irby, Doyle Stewart.

"K" Club

"That which we have seen and heard declare we unto you, that ye also may have fellowship with us; and truly our fellowship is with the Father, and with his Son Jesus Christ." *1 John 1:3*

The "K" Club is an organization for members of or those interested in the church of Christ. The function of the club is to provide a wholesome, well-rounded spiritual life for the college student of today. As a part of this function, the club promotes regular spiritual inspiration through a weekly devotional each Thursday. Also, each Monday a dinner meeting is held. The club is dedicated to developing friendliness and Christian fellowship among the students at MSU.

Newman Club

"Sanctify the Lord Christ in your hearts, being ready always to satisfy everyone that asks of you reasons for the hope that is in you." *1 Peter 3:15*

This Foundation, by its constitution, aims to deepen the spiritual and enrich the temporal lives of Catholics on the secular university campus through a balanced program of religious, intellectual, and social activities. Because the university enshrines man's highest aspirations in its quest for "Truth," the Newman Foundation has a special place at a state university in the supplying of the means for Catholic religious education.

D. Brandon, Robert Hawks, Larry McBride, William Bingham, Clarence Hampton, Jack Cushing.

Wesley Foundation

"If you continue in my Word you are truly my disciples and you will know the truth and the truth will make you free."

John 8:31-32

Wesley Foundation is a witnessing community which welcomes the doubter, inquirer, the indifferent and the believer to seek the truth. Wesley attempts reach the "whole" student and in order to do so presents a varied program. The program attempts to meet the contemporary image of the student by dealing with religious, cultural, and social aspects of the student's life. Wesley attempts to further the commitment of the student to his vocation and to help him adjust to the total world.

Wesley Foundation welcomes all.

WESTMINSTER FELLOWSHIP: *First Row, l. to r.:* Billie Baker, Jane Bobo, Helen Frerichs, Christine Blackard, Anna Castens, Pat Sullivan, Ronnie Klages. *Second Row, l. to r.:* John McClanahan, Jayne Raybord, Dayna Weaver, Linda Austin, Anne Wilson, Jewell Turbekville, Lewis Trotter, Michael Braswell. *Third Row, l. to r.:* Samy Ghaba, Skip Hudgens, Newel Tuggle, Garry Williams, Warren Brown, Bill Bradley, Wendell Phillips, Gene Ethridge.

Westminster Fellowship

"At the beginning God expressed Himself. That Personal Expression, that Word, was with God, and He existed with God from the beginning. All creation took place through Him, and none took place without Him. In Him appeared Life and this Life was the Life of mankind."

John 1:1-3

(Phillip's Translation)

The Westminster Fellowship stands in the midst of the University Community. It believes that God is expressing Himself there in the classroom, Student Government, laboratory, etc. The university is a place of many words and the serious Christian student seeks to find the *Word* that gives ultimate meaning and purpose to all that is taking place there. He comes together with other students to worship, study, and have meaningful fellowship in the various activities of his and other religious groups on the campus. He is called to bear witness to the creative activity of God who is constantly giving Life and Light to mankind.

WITTENBERG: *First Row, l. to r.:* Karla Jerstenberger, Nancy Anderton, Diana Baker, Nancy Sword, Kay Roof, Betty Haase, Bronwein Morlan. *Second Row, l. to r.:* Rev. Paul H. Schmidt, Tom Monje, David Schmidt, Armin Herbst, Jean Larson.

Wittenberg Society

"For by grace are ye saved through faith and that not of yourselves: it is the gift of God: not of works, lest any man should boast.
Eph. 2:8-9

The Wittenberg Society was organized in the Fall Semester of 1957 to serve the Lutheran students attending Memphis State University. The organization is sponsored by the Commission on College and University Work.

The Wittenberg Society is dedicated to assisting Lutheran students in deepening their spiritual life of grace through the faithful use of God's Word and Sacraments. It also promotes Christian fellowship among the Lutheran students with the goal of helping out-of-town Lutheran students find a church home while they are attending Memphis State University.

Disciple Student Fellowship

"And upon the first day of the week, . . . the disciples came together to break bread.
Acts 20:7

DSF is designed to fulfill and enrich the campus experience of the Christian Church Student on campus. It allows him to continue his work and worship in the Christian faith when away from home ties in the Church.

DSF: *l. to r.:* Miriam Seayton, Mary Jane Young, Roy Stone, Mickey Irby.

MEMPHIS STATE UNIVERSITY

Memphis, Tennessee

As we enter the space age ushered in by technological advances which have no parallel in the history of mankind, the need for educated, well trained, and dedicated civilian and military leaders has never been more acute. As in the past, the Air Force ROTC program at Memphis State University will continue to strive to provide trained leaders so essential to the peace and security of the United States.

1963 Angel Flight

Angel Flight

The Angel Flight is an organization of college women who have the interests of the Air Force Reserve Officers Training Corps program, and the Arnold Air Society at heart. Angel Flight exists to further the cause of the United States Air Force by promoting the interest of the college man in the AFROTC program. Angel Flights, through their many activities, aid the progress of the Arnold Air Society and serve as a symbol of appreciation for the importance and the dignity of Air Force life.

Officers of the Cadet Wing report to Cadet Col. Jackie Hurst and his wing staff

MSU AFROTC Squadron drill had an exceptionally good performance in the Armistice Day Parade.

Congratulations were given to Cadet Capt. Tribble for his "outstanding squadron" in the Armistice Day Parade.

One of the highlights of the year at Memphis State University is the annual R.O.T.C. Ball where the R.O.T.C. Queen is announced from an array of beautiful girls.

"... ah, ... a thirteen letter word beginning with 'y.'"

"Campbell's Clinic"

"Me? . . . Angel Flight Commander?"

" . . . but I haven't had my ROTC!"

"Thank God, they're on our side."

I wonder how many demerits he got for that?

"Sing Along with Fred"

Watch it! Here comes those darn seniors.

"Mutt and Jeff"

"... Ah, let's check the situation over ..."

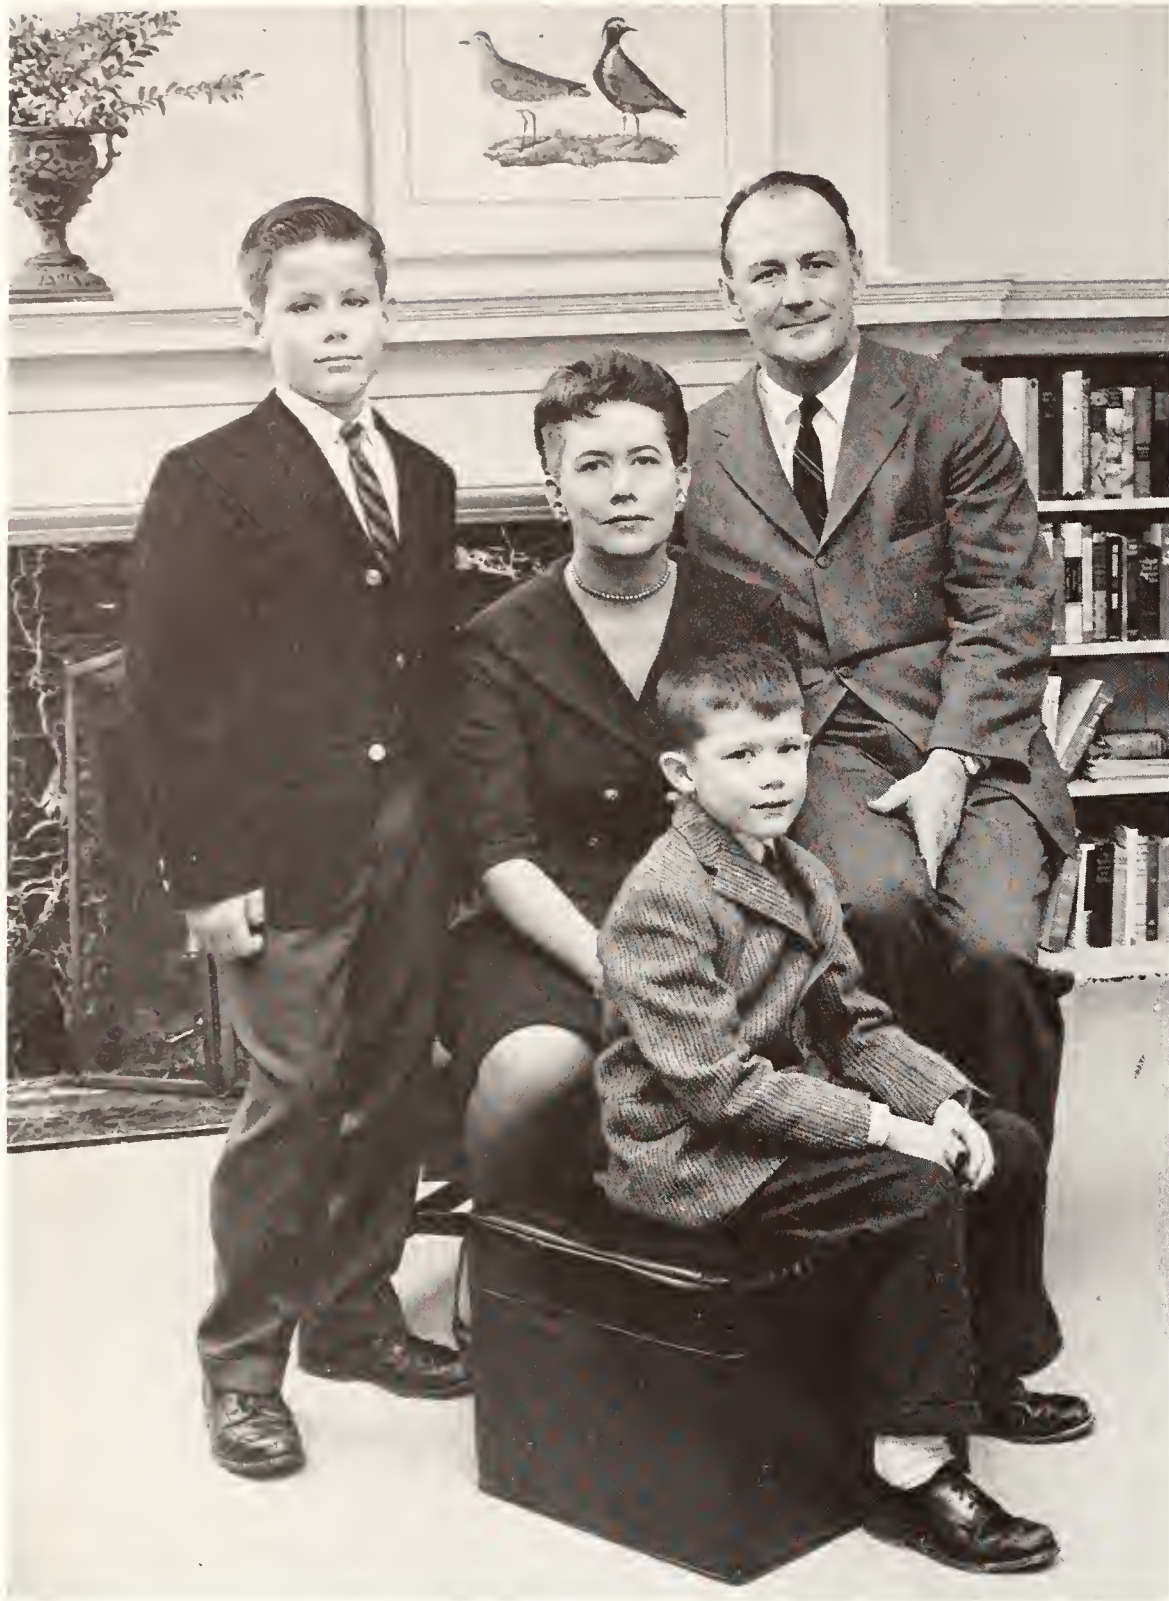

"Now ... will you march?"

The "time capsule" is completed. The winds have come, the rains have fallen, the bitter cold has passed, the spring liveliness has burgeoned. The bustling of feet, the rustling of leaves, the communion of thoughts between professor and student have become synthesis. The joys in life, the excitement in victory, the participation in rewards have been felt.

The lingering of the static seasons is now retrospect, the impatience of advancing through another year is over. Times of activity, solitude, talk, silence, gaiety, depression—all have found their appointed place in the capsule.

With the sealing of the capsule comes the benediction of the year and the farewell of the class of 1963.
